Veterans Community Learning Hubs

Do You Want to Improve Your Business Writing Skills?

Sign up for a no-cost Veterans Community Learning Hub in High-Impact Business Writing starting in January 2016.

- Veterans Community Learning Hubs give you the opportunity to build your skills through a combination of online learning and in-person sessions.
- Each week you will complete a Coursera module online, and then attend a session to discuss the material with fellow learners and hear from experts in the field.
- Upon successful completion of the course, transitioning Servicemembers and Veterans may receive one **FREE** Course Certificate co-issued by Coursera and [the University of California, Irvine].
