

Louisville Metro Air Pollution Control District

Permit Application and Renewal Form AP-100A

Administrative Information

Deliver application to:
701 W. Ormsby Ave. Suite 303
Louisville, KY 40203

(502) 574-6000
FAX: (502) 574-5137
www.louisvilleky.gov/apcd
airpermits@louisvilleky.gov

In accordance with District regulation 2.03, section 1, you may not install, modify, or operate an affected facility unless a permit has been issued by the District. Please complete all requested information in this application and associated attachments. Incomplete applications may result in denial of issuing a permit to construct or operate the affected facility.

Filing Fee
<p>The filing fee listed in the revision of APCD Regulation 2.08 Schedule of Fees in effect on the date of filing is due with the submittal of the application. Your application will not be acted upon until the fee is received.</p> <p>This fee is not required when updating facility information such as contacts or Responsible Officials. This fee is not required for renewal of <u>existing</u> Title V and FEDOOP operating permits.</p> <p>Fees may be paid with any major credit card EXCEPT American Express. Contact Monica Little (502-574-7246) to pay by credit card.</p>
<input type="checkbox"/> The appropriate filing fee is included with this application <input type="checkbox"/> No fee required (as described above)

Emission Information			
Minor sources are not required to complete the Actual Emissions and Requested Limit columns of the following section. Minor sources may also leave the Potential Emissions column blank, but doing so may delay processing of this application. FEDOOP and Title V sources <u>must</u> complete this section of the application.			
The emissions shown below are: <input type="checkbox"/> plant-wide <input type="checkbox"/> this project only			
Pollutant	Potential Emissions (tons/year)	Previous Year Actual Emissions (Required for FEDOOP renewals) (tons/year)	Requested Limit PSD/NSR, FEDOOP*, etc. (tons/year)
PM			
PM ₁₀			
PM _{2.5}			
CO			
NO _x			
SO ₂			
Lead			
VOC			
Total HAP			
Single HAP			

* FEDOOP must have at least one requested limit.

Responsible Official Certification	
The “Responsible Official” is the person in charge of a principal business function, or other person who performs similar policy or decision-making functions for the corporation, or a duly authorized representative of that person if the representative is responsible for the overall operation of one or more manufacturing, production, or operating facilities applying for or subject to a permit. See District regulation 1.02, section 1.71 for a complete, detailed definition of Responsible Official.	
Based on information and belief formed after reasonable inquiry, I certify that the statements and information in this document and all associated attachments are true, accurate, and complete.
