GAS RESTORATION PERMIT

By signing this application, I swear that I am the owner of the above mentioned property, and am currently residing in the above mentioned property. If I am not currently residing in the property, I attest that I will reside there upon completion of the work. I also affirm that the home is not currently for sale, and that any and all HVAC related work being done in the above mentioned home is being completed by me and no one else. I also understand that the work must meet the Kentucky Building Code and I am responsible for contacting the local EPA regarding reclamation of Freon Certification. I am also required to obtain the inspection(s) from a Construction Review HVAC Inspector to ensure the above requirements are met which includes a final inspection when the work is completed. If I am found to have falsified this application in any way, I will face legal action including a fine and/or imprisonment.
