Independent Auditor's Report

To the Board of Directors of
The Kentucky Science Center, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of The Kentucky Science Center, Inc. ("KSC"), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditor's Report (Continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Kentucky Science Center, Inc. as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 12, 2018, on our consideration of KSC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering KSC's internal control over financial reporting and compliance.

The Kentucky Science Center, Inc.
Notes to Financial Statements
Years Ended June 30, 2018 and 2017

Note A - Nature of Organization and Operations

The Kentucky Science Center, Inc. ("KSC") is a not-for-profit organization encouraging people of all ages to enjoy science, mathematics and technology in a stimulating and engaging environment that is educational as well as entertaining. KSC aims to be a 21st century leader in informal science education, serving a growing regional audience of families, teachers, and students with innovative programs, exhibits and films.

KSC operates as a component unit of the Louisville Metro Government.

Note B - Summary of Significant Accounting Policies

1. Basis of Accounting: The financial statements of KSC are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Accounting Standards Codification ("ASC") as produced by the Financial Accounting Standards Board is the sole source of authoritative GAAP.
2. Use of Estimates: The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.
3. Subsequent Events: Subsequent events for KSC have been considered through the date of the Independent Auditor's Report, which represents the date that the financial statements were available to be issued.
4. Donor-imposed Restrictions: KSC records and reports its assets, liabilities, net assets, revenues, expenses, gains and losses, and other support based on the existence or absence of donor-imposed restrictions. KSC reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restriction. KSC reports gifts as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, KSC reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. Permanently restricted net assets include those contributions and other inflows of assets whose use by KSC is limited by donor-imposed stipulations that neither expire by the passage of time nor can be fulfilled or otherwise removed by the actions of KSC.
5. Cash and Cash Equivalents: KSC considers all highly liquid investments with a maturity of three months or less at the date of purchase to be cash equivalents except such instruments purchased with long-term investment assets which are reported as investments. KSC typically maintains balances with its banks in excess of federally insured limits.

The Kentucky Science Center, Inc.
Notes to Financial Statements (Continued)
Years Ended June 30, 2018 and 2017

Note B - Summary of Significant Accounting Policies (Continued)

6. Accounts Receivable: Accounts receivable primarily consists of amounts due from schools and other organizations for admissions, memberships, or venue rentals. Credit is based on creditworthiness and amounts are not secured. KSC provides an allowance for doubtful accounts which is based on a review of outstanding receivables, historical collection information, and existing economic conditions. Receivables are written off when, in management's estimation, it is probable that the receivable is worthless. No allowance for uncollectible accounts has been included as of June 30, 2018 and 2017 as management considers all amounts collectible.
7. Pledges Receivable: KSC receives contributions primarily from individuals, grantors, or corporations in the community. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. No allowance for uncollectible pledges has been included as of June 30, 2018 and 2017 as management considers all amounts collectible. Conditional promises to give are not included as support until the conditions are substantially met.
8. Inventories: Inventories consist of items for sale through the gift shop and are stated at the lower of cost (first-in, first-out basis) or net realizable value.
9. Designated Cash: Designated cash consists of amounts restricted or designated for expenditures related to future capital projects and professional development activities.
10. Property and Equipment: Property and equipment are recorded at cost at date of acquisition or fair value at date of donation. It is KSC's policy to capitalize purchases of property and equipment over \$5,000. Lesser amounts are expensed. Depreciation expense is provided using the straight-line method over the assets estimated useful lives of 5 to 20 years for leasehold improvements, 3 to 10 years for furniture and equipment, 3 to 10 years for exhibits, and 5 to 40 years for theater assets. Depreciation expense for the years ended June 30, 2018 and 2017 was \$699,280 and \$748,440 respectively.
11. Investments: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net unrealized and realized gains or losses are reflected in the statements of activities and changes in net assets.
12. Board Designated Unrestricted Net Assets: Board designated unrestricted net assets represent amounts designated for infrastructure improvements and professional development activities as determined by the Board.
13. Revenue Recognition: Admissions and other service revenues are recognized at the time the services are provided and the revenues are earned. All revenues associated with advance ticket sales and other advance revenues received for future fiscal years are reported as deferred revenues until earned. Membership payments received from KSC members are considered equivalent to unrestricted contributions and are recognized as revenue when received.

The Kentucky Science Center, Inc.
Notes to Financial Statements (Continued)
Years Ended June 30, 2018 and 2017

Note B - Summary of Significant Accounting Policies (Continued)

14. Income Tax Status: KSC has received a determination letter from the Internal Revenue Service indicating that it qualifies as a tax-exempt Organization under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no income taxes have been provided in the accompanying financial statements.

KSC recognizes uncertain income tax positions using the "more-likely-than-not" approach as defined in the ASC. No liability for uncertain tax positions has been recorded in the accompanying financial statements.

15. Advertising Costs: Advertising costs are expensed as incurred. Advertising costs amounted to \$399,352 and \$432,222 for the years ended June 30, 2018 and 2017, respectively.
16. Reclassifications: Certain reclassifications have been made to the 2017 financial statements to conform to the 2018 presentation, with no effect on net assets or the changes in net assets.
17. Recent Accounting Pronouncements: In August 2016, the FASB issued ASU No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. This updated guidance changes presentation and disclosure requirements for not-for-profit entities to provide more relevant information about their resources (and the changes in those resources) to donors, grantors, creditors and other users. This guidance included qualitative and quantitative requirements in the following areas: 1) net asset classes; 2) investment return; 3) expenses; 4) liquidity and availability of resources; and 5) presentation of operating cash flows. This standard is effective for the fiscal year ending June 30, 2019.

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. ASU No. 2014-09 supersedes the revenue recognition requirements in Topic 605, Revenue Recognition, and most industry-specific guidance. Under the requirements of ASU No. 2014-09, the core principle is that entities should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This standard will be effective for the fiscal year ending June 30, 2020.

In June 2018, the FASB issued ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The amendments in this standard should assist entities in 1) evaluating whether transactions should be accounted for as contributions (nonreciprocal transactions) within the scope of Topic 958, Not-for-Profit Entities, or as exchange (reciprocal) transactions subject to other guidance and 2) determining whether a contribution is conditional. This standard will be effective for the fiscal year ending June 30, 2020.

In November 2016, the FASB issued ASU No. 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*. The standard requires that the statement of cash flows explain the change during the period in the total of cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. Consequently, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning of period and end of period total amounts shown on the statement of cash flows. This standard will be effective for the fiscal year ending June 30, 2020.

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*, to improve financial reporting with respect to leasing transactions. ASU No. 2016-02 will require lessees to recognize a lease liability and a right-of-use asset with respect to all leases with terms of greater than twelve months. The lease liability recognized in the statement of financial position will represent the lessee's obligation to make lease payments measured on a discounted basis, while the right-of-use asset will represent the lessee's right to use, or control use of, the underlying asset for the lease term. For leases with a term of twelve months or less, a lessee is permitted to make an accounting policy election by class of underlying asset not to recognize lease assets and lease liabilities. The standard will be effective for the fiscal year ending June 30, 2021.

The Kentucky Science Center, Inc.
Notes to Financial Statements (Continued)
Years Ended June 30, 2018 and 2017

Note B - Summary of Significant Accounting Policies (Continued)

17. Recent Accounting Pronouncements (Continued):

In June 2016, the FASB issued ASU 2016-13, *Financial Instruments-Credit Losses*. The standard requires a financial asset (including trade receivables) measured at amortized cost basis to be presented at the net amount expected to be collected. Thus, the statement of activities will reflect the measurement of credit losses for newly-recognized financial assets as well as the expected increases or decreases of expected credit losses that have taken place during the period. This standard will be effective for the fiscal year ending June 30, 2022.

KSC is currently evaluating these ASUs and their impact on KSC's financial statements.

Note C - Deposits and Investments

At June 30, 2018, KSC's carrying amount of deposits is \$960,329 and the bank balances are \$997,671. Of this amount, \$255,001 is covered by federal depository insurance and \$742,670 is insured with securities held by the pledging financial institution. At June 30, 2017, KSC's carrying amount of deposits is \$567,155 and the bank balances are \$666,129. Of this amount, \$290,153 is covered by federal depository insurance and \$375,976 is insured with securities held by the pledging financial institution.

KSC's investment policy requires that investments be divided to eliminate the risk of loss resulting from concentration of assets in a specific maturity, a specific user, or a specific class of securities. At June 30, 2018, KSC has collateral through its depository, in addition to federal depository insurance, to support instruments subject to credit risk. Custodial credit risk is the risk that, in the event of the failure of the counterparty, KSC would not be able to recover the value of its investments or collateral securities that are in the possession of

At June 30, 2018, KSC's carrying amount of investments is:

Total Equity Mutual Funds	Not rated	<u>429,749</u>	N/A
		<u>\$ 579,658</u>	
Portfolio weighted average maturity			6.97

* Effective June 2010, the Financial Industry Regulatory Authority does not permit a credit quality rating to be published for a portfolio based on the average credit rating of the assets within the portfolio. However, each bond is individually rated by one of the nationally recognized credit rating services. As of June 30, 2018, over 97% of the bonds are investment grade rated. As of June 30, 2017, over 97% of the bonds are investment grade rated. All investments fall within the Board approved investment policy guidelines.

Fair value measurements at June 30, 2018 and 2017 are quoted prices in active markets for identical assets (Level 1). Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would result in material changes in the fair value of investments and net assets of KSC. KSC's investment policy minimizes interest rate risk by structuring the investment portfolio so that the securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to seek securities on the open market prior to maturity and investing operating funds primarily in short-term securities or similar investments. KSC minimizes credit risk by limiting investments to the safest types of securities, pre-qualifying the financial institutions, broker/dealers, intermediaries, and advisors with which KSC does business, and diversifying the investment portfolio so that potential losses on individual securities will be minimized. KSC places no limit on the amount KSC may invest in any one issuer.

Years Ended June 30, 2018 and 2017

Note D - Pledges Receivable

KSC has pledges for operations and other specified projects. Some of these pledges are restricted by time or for donor designated projects.

Pledges receivable at June 30, 2018 and 2017 consist of the following unconditional promises to give:

	<u>2018</u>	<u>2017</u>
Gross pledges receivable	\$ 252,703	\$ 433,520
Less discount to present value	<u>(3,295)</u>	<u>(8,750)</u>
	<u>\$ 249,408</u>	<u>\$ 424,770</u>

Amounts due in:

	<u>Amount</u>
Less than one year	\$ 148,203
One to five years	<u>104,500</u>
	<u>\$ 252,703</u>

Pledges receivable in future periods are discounted at rates ranging from 1.0% to 2.7%.

KSC has one donor that represents 79% and 69% of the gross pledges receivable at June 30, 2018 and 2017, respectively.

Note F - Endowments

KSC's endowment consists of two donor-restricted endowment funds and one board designated endowment fund. The funds were established to fund exhibit repairs and operations. As required by GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

KSC follows the Uniform Prudent Management of Institutional Funds Act (UPMIFA), the provisions of which apply to endowment funds. As such, KSC is required to act prudently when making decisions to spend or accumulate donor restricted endowment assets and in doing so to consider a number of factors including the duration and preservation of its donor restricted endowment funds.

The Kentucky Science Center, Inc.
Notes to Financial Statements (Continued)
Years Ended June 30, 2018 and 2017

Note F - Endowments (Continued)

KSC has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. KSC classifies as permanently restricted net assets the original value of gifts donated to the permanent endowment and accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment that is not classified as permanently restricted net assets is classified as temporarily restricted until appropriated for expenditure by KSC.

The endowment fund assets at June 30, 2018 and 2017 are included in the following categories on the statements of financial position:

	June 30, 2018			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor Restricted	\$ -	\$ 152,289	\$ 422,585	\$ 574,874
Board Designated	12,619	-	-	12,619
	<u>\$ 12,619</u>	<u>\$ 152,289</u>	<u>\$ 422,585</u>	<u>\$ 587,493</u>
	June 30, 2017			
	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor Restricted	\$ -	\$ 150,587	\$ 417,585	\$ 568,172
Board Designated	11,486	-	-	11,486
	<u>\$ 11,486</u>	<u>\$ 150,587</u>	<u>\$ 417,585</u>	<u>\$ 579,658</u>

The Kentucky Science Center, Inc.
Notes to Financial Statements (Continued)
Years Ended June 30, 2018 and 2017

Note F - Endowments (Continued)

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires KSC to retain as a fund of perpetual duration.

KSC has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Under this policy, as approved by the Board, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level of investment risk. KSC expects its endowment funds, over time, to provide an average rate of return consistent with its investment objectives, goals, and guidelines as measured against commonly accepted performance benchmarks. Actual results in any given year may vary from this amount. To satisfy its long-term rate-of-return objective, KSC relies on a total return strategy in which investment returns are achieved through both capital appreciation and current yield. KSC targets diversified assets allocation that places a greater emphasis on equity-based investments to achieve its long-term objectives within prudent risk constraints.

KSC has a policy of appropriating for distribution each year up to 5% of its endowment funds' average fair value over the prior 12 quarters ending March 31 of the year preceding the fiscal year in which the distribution is planned. The amount of the distribution is approved by the Executive Committee of the Board of Directors on an as-needed basis. The Board of Directors may also authorize prior years' unexpended annual spending policy amounts to be used for future expenditures as part of the annual budget. In establishing this policy, KSC considered the long-term expected return on its endowment and its objective to maintain the purchasing power of the endowment assets held in perpetuity as well as additional growth through new gifts and investment return.

Note G - Collections

In accordance with the ASC, KSC does not capitalize donated or purchased collections. Such collections consist entirely of historical artifacts, scientific specimens, and art objects. Such donations and acquisitions need not be recognized since they are added to collections that are held for public exhibition, education, and research purposes in furtherance of public service rather than financial gain; are protected, kept unencumbered, cared for, and preserved; and are subject to a policy that requires the proceeds from sales of collection items to be used to acquire other items for collections. Purchases of collection items are recorded as decreases in unrestricted net assets in the year in which the items are acquired or as temporarily or permanently restricted net assets if the assets used to purchase the items are restricted by donors.

Proceeds from deaccessions or insurance recoveries are reflected as increases in the appropriate net asset classes. The value of the collection is indeterminable as of June 30, 2018 and 2017.

The Kentucky Science Center, Inc.
Notes to Financial Statements (Continued)
Years Ended June 30, 2018 and 2017

Note H - Financing Arrangements

KSC has a line of credit agreement with PNC Bank for \$250,000 with an interest rate of prime (5% at June 30, 2018), which expires in May 2019. The line is secured by all business assets. There is no balance outstanding on this line of credit at June 30, 2018 or 2017.

KSC has a note payable to PNC Bank due in November 2018 that bears interest at a fixed rate of 3.95%. The note is payable in monthly installments of principal and interest of \$4,052. The outstanding balance on the note is \$20,059 and \$66,857 at June 30, 2018 and 2017, respectively. The outstanding note payable is secured by investments held at the same financial institution. At June 30, 2018 and 2017, funds in that account total \$587,493 and \$579,658, respectively, all of which are endowment fund investments.

During 2015 KSC entered into a promissory note with PNC Bank bearing interest at 3.95%. The note is for \$500,000 and is collateralized by substantially all of KSC's assets. The note requires quarterly principal payments of \$25,000 plus interest, through July 2020. The note matures on July 16, 2020. The outstanding balance on the note is \$225,000 and \$325,000 at June 30, 2018 and 2017, respectively.

Future maturities of the notes payable as of June 30, 2018 are as follows:

Year Ending June 30,	Amount
2019	\$ 120,059
2020	100,000
2021	25,000
	<u>245,059</u>
Less current portion	<u>120,059</u>
	<u><u>\$ 125,000</u></u>

Note I - Temporarily Restricted Net Assets

Temporarily restricted net assets at June 30, 2018 and 2017 are available for the following purposes:

	2018	2017
Educational programs	\$ 425,524	\$ 116,150
Exhibit production	258,866	203,204
Exhibit maintenance and replacement	118,181	118,395
Operations	34,108	32,192
	<u>\$ 836,679</u>	<u>\$ 469,941</u>

The Kentucky Science Center, Inc.
Notes to Financial Statements (Continued)
Years Ended June 30, 2018 and 2017

Note J - Permanently Restricted Net Assets

Permanently restricted net assets at June 30, 2018 and 2017 are required to be invested in perpetuity, the income from which is expendable for the following purposes:

	<u>2018</u>	<u>2017</u>
Exhibit maintenance and replacement	\$ 400,298	\$ 395,298
Operations	<u>22,287</u>	<u>22,287</u>
	<u>\$ 422,585</u>	<u>\$ 417,585</u>

Note K - Local Government Support

KSC was a joint operation of the City and County government until October 1984 when it reorganized into its present form as a private nonprofit corporation.

KSC continues to receive support from Metro Government each year under a formula based on the level of support provided for the year ended June 30, 2007. The calculation is adjusted for inflation and may be adjusted for Metro Government budgetary reasons.

KSC receives additional support from Metro Government under operating and lease agreements, which expire in the year 2083. KSC occupies historic buildings and operates the adjacent parking lot, all owned by the City, for an annual rent of one dollar. Responsibility for internal nonstructural improvements and maintenance belongs to KSC. Beginning in the year ended June 30, 2012, an additional general annual appropriation of \$50,000 is to be provided to KSC to cover preventative and ongoing general systems maintenance, subject to the availability of revenues to be appropriated. The estimated fair rental value of the premises is not reported in the financial statements because such values are not readily determinable.

In addition, KSC receives contributed services for technical support, certain capital improvements, and other administrative services for which values are not readily determinable and thus not recorded in the accompanying financial statements.

Note L - Contributions Other Than Cash

Contributions of property and equipment, advertising, and gifts for fundraisers are recorded in the accompanying financial statements. Donated advertising and other gifts are recorded at their estimated fair value and donated property and equipment at their appraised or estimated fair value. Contributed property and equipment and services in the amount of \$88,717 and \$121,566 during the years ended June 30, 2018 and 2017 respectively, were recorded as contributions, and program and supporting services expenses or capitalized.

During the year ended June 30, 2018, approximately 768 volunteers donated approximately 11,951 hours of time to KSC. During the year ended June 30, 2017, approximately 914 volunteers donated approximately 15,338 hours of time to KSC. This time represents non-professional services and is, therefore, not recorded in the accompanying financial statements.

The Kentucky Science Center, Inc.
Notes to Financial Statements (Continued)
Years Ended June 30, 2018 and 2017

Note M - Rental Income

KSC leases certain facilities under a noncancelable operating lease which expires October 2019. The approximate minimum future building rentals due to KSC under this lease are as follows:

Year Ending <u>June 30,</u>	<u>Amount</u>
2019	\$ 31,200
2020	<u>10,400</u>
	<u><u>\$ 41,600</u></u>

Rental income from the building lease was \$37,305 and \$37,161 for the years ended June 30, 2018 and 2017, respectively.

Note N - Fundraising Events

Gross revenues and direct event expenses related to fundraising events during the years ended June 30, 2018 and 2017 were as follows:

	<u>2018</u>	<u>2017</u>
Science with a Twist		
Revenues	\$ 153,820	\$ 146,730
Expenses	<u>(66,705)</u>	<u>(62,829)</u>
	<u><u>\$ 87,115</u></u>	<u><u>\$ 83,901</u></u>

Note O - Employee Benefit Plans

KSC sponsors a plan that is qualified under Internal Revenue Code Section 403(b). Employees of KSC who meet certain requirements can participate in a matched savings plan. The plan matches, within IRS limitations, 50% of an employee's contributions up to 6% of the participating employee's compensation. The employer match was \$47,258 and \$35,902 for the years ended June 30, 2018 and 2017, respectively.

Note P - Lease Commitments

During the year ended June 30, 2014, KSC entered into a non-cancelable lease agreement for use of two copiers. Rent expense of \$12,722 and \$13,358 was recorded under this lease during the years ended June 30, 2018 and 2017, respectively.

Future minimum lease payments under this lease are as follows:

Year Ending <u>June 30,</u>	<u>Amount</u>
2019	<u><u>\$ 7,584</u></u>

Note Q - Commitments

KSC has outstanding commitments under various contracts of approximately \$155,000 at June 30, 2018.

Supplementary Information

Independent Auditor's Report on Supplementary Information

To the Board of Directors of
The Kentucky Science Center, Inc.

We have audited the financial statements of The Kentucky Science Center, Inc. as of and for the years ended June 30, 2018 and 2017, and have issued our report thereon dated September 12, 2017, which contains an unmodified opinion on those financial statements and appears on page 1. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole.

The schedules of functional expenses for the years ended June 30, 2018 and 2017 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards***

To the Board of Directors
The Kentucky Science Center, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of The Kentucky Science Center, Inc. ("KSC"), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated September 12, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered KSC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of KSC's internal control. Accordingly, we do not express an opinion on the effectiveness of KSC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of KSC's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards* (Continued)**

Compliance and Other Matters

As part of obtaining reasonable assurance about whether KSC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of KSC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering KSC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
