

# ABOUT US

Louisville Metro Emergency Medical Services (LMEMS) CPR Center is the largest training center in the Commonwealth. We provide quality First Aid, CPR/AED training for the community, including teachers, coaches, lifeguards and pool attendants, Paramedics, first responders, and those entering the medical field.

Training courses also include Advanced Cardiac Life Support (ACLS) and Pediatric Advanced Life Support (PALS).

Classes are taught by experienced and professional EMTs or Paramedic instructors.

Classes are held at convenient neighborhood locations or can be brought to your facility.

All courses are approved by the American Heart Association, and certificates are valid for two years.
