**Board** - The Louisville Metro Police Merit Board.

**Day or Calendar Day** - The respective days of the week. In computing any period of time prescribed by these rules, if the day on which, or by which, an act is required to be done falls on a Saturday, Sunday, legal holiday, or day on which the Board office is closed, the act may be done on the next day which is none of the days just mentioned.

**Officer**- Except as the context otherwise requires, any sworn member of the Louisville Metro Police Department covered by KRS 67C.301 *et seq.* (i.e., police cadets, police recruits, police officers, corporals, sergeants, lieutenants, and captains).

**SECTION 3**  
**HEARING REQUESTS/ DOCKETING**

- 3.1 Within ten (10) calendar days of any action taken by the Chief subject to review by this Board, as contemplated in KRS 67C.301 *et seq.* the affected officer must notify the Board and the Chief in writing of his/her intention to appeal the action of the Chief. The officer shall include in such notice his/her intent to be represented by counsel at the requested hearing. As soon as practicable, the officer must notify the Board of the name and address of his/her attorney.
- 3.2 If not stated in the notice of appeal, the appellant shall file a statement of the grounds therefore with the Board and the Chief within five (5) calendar days of filing the notice of appeal.
- 3.3 Upon receipt of any notice of appeal, the Chief shall forward to the Board true copies of the written notice of the disciplinary action together with any reply or other explanatory matter filed by the affected officer or employee.
- 3.4 Upon receipt of a notice of appeal, the Board shall, at its next regularly scheduled meeting or by telephone conference, establish a date for the hearing, which shall be at the convenience of the Board Members and parties, in order to ensure a quorum and resolution of all issues at the hearing. Unless otherwise ordered by the Board, the Secretary shall, upon receipt of a notice of appeal, promptly schedule a public hearing as set forth herein. The assignment for hearing by the Secretary shall be placed in the minutes of the Board as an official action of the Board.
- 3.5 Hearings on appeal of suspensions of under forty (40) hours may be scheduled for a hearing officer rather than before the full board, in the Board's discretion.
- 3.6 The announcement of the hearing shall be treated like all other public notices by the Board and shall be communicated in a like manner.
- 3.7 In addition to the notice given under 3.3 above, immediately upon assignment of an appeal for hearing by the Secretary, or by an order of the Board, the Secretary shall give notice of the date, time, and place of the hearing to each member of the Board eligible to sit in disciplinary cases, to the Chief and counsel designated by the Chief, and to the officer or employee appealing and any counsel designated by said person. The notice to the officer appealing and to his/her designated counsel, if any, shall include a copy of these procedures together with a list of references to current Kentucky Statutes relating to appeals to the Board, unless said materials have previously been provided to the appellant or counsel.

- 3.8 After an appeal is initially assigned to a hearing date, the Secretary of the Board may reassign the hearing to another date on its own Motion if it appears that a quorum will not be available for the original hearing date. The hearing will be assigned according to the availability of Board members and the parties, but the Board may reassign to another date if necessary.
- 3.9 Any request by either party to an appeal for a continuance of any public hearing scheduled by the Board shall be in writing and shall be filed with the Board immediately upon the occurrence of the circumstances, which prompt the request. A copy of the request shall be mailed by the requesting party to the opposing party, or designated counsel, at the time it is filed with the Board. The opposing party, if so desired, shall file a response within five (5) calendar days of receipt of the continuance request. A request for continuance filed by the appealing officer shall be accompanied by an appropriate waiver, signed by both the officer and his/her designated counsel in a form approved by the Board. Timely requests for continuances will be granted by the Board, in its discretion, for good cause shown. If there is no regular meeting of the Board scheduled in advance of the hearing for which a continuance is sought, the Secretary shall schedule a special meeting for the purpose of considering the request for continuance. However, in the event there is insufficient time to schedule a special meeting, as determined by the Secretary of the Board in consultation with the Chairman of the Board, the Secretary may grant the request for continuance and provide immediate notice of such to the Board. Written notice of any rescheduled hearing date shall be given in accordance with Sections 3.6. and 3.7.

**SECTION 4**  
**CHARGES BROUGHT BY CITIZEN**

- 4.1 Any citizen may make a charge of misconduct, concerning the action of any employee, in writing and under oath, to the Chief. If not satisfied with the response of the Chief, the citizen may appeal the determination of the Chief to the Board within thirty (30) days, setting forth the particulars of the charge. The written appeal must provide specific reasons why the Chief's decision is thought to be erroneous; an estimate of the amount of time the citizen needs to present his/her position; and evidentiary materials (written documentation or other evidence) that support the citizen's position.
- 4.2 The Board shall notify the Chief of the appeal and forward to the Chief all materials filed by the citizen. The Board also shall give notice and provide copies of such materials to the officer who is the subject of the appeal.
- 4.3 The Chief has fifteen (15) days to file a written answer to said charges. The officer may respond if he or she wishes.
- 4.4 The Secretary and Legal Counsel for the Board shall review the citizen's appeal, the Chief's response, and the officer's response, if any, and determine if there is sufficient cause for additional investigation, review or hearing by the Board and shall advise the Board accordingly.
- 4.5 The Board may adopt the recommendation of the Secretary and Legal Counsel or may order further investigation or hearing. The Board shall determine the scope of the investigation or hearing.
- 4.6 If the Board requires a hearing after investigating the citizen appeal, the Board may assign the matter to a hearing officer or the Board itself may conduct the hearing. In either case, the hearing shall be conducted as indicated in the Board's Hearing Procedures.
- 4.7 In conducting an investigation or hearing regarding a citizen appeal, the Board also shall comply with the provisions of KRS 15.520.

**SECTION 5**  
**PREHEARING MOTIONS**

- 5.1 Unless otherwise ordered by the Board, motions to dismiss the proceedings or for summary disposition of the appeal shall be made in writing and filed with the Board within fourteen (14) days after the affected officer gives notice to the Board of his/her intention to appeal the action of the Chief. The basis for any such motion shall be stated clearly and include copies of any authorities relied upon. Copies of any such motion shall be served upon the opposing party or its counsel and counsel for the Board. The Party opposing the motion may file a response with the Board within five (5) calendar days after receipt of any motion and shall serve a copy of any response upon the other party or its counsel and counsel for the Board.
- 5.2 Either party may move for leave of the Board to take a videotaped deposition, and it is the stated preference of the Board that said motions be filed jointly by the parties. The party or parties making the motion for leave to take a videotaped deposition must include with the motion the name and current address of the witness and a brief summary of that witness's expected testimony, if the Board has not yet received such information pursuant to Rule 6.1. It is the stated policy of the Board to seek to limit the use of videotaped depositions to the testimony of medical or other experts who would not be available to appear at the hearing, or for witnesses who do not reside within the jurisdiction and would not be available to appear in person at the hearing.

- 10.3 At the commencement of any hearing, before any evidence is presented, the Board shall direct the separation of witnesses upon the request of either party. **SECTION 15**  
**DELIBERATIONS AND DECISIONS OF THE BOARD**

- 15.1 At the conclusion of a hearing, the Board shall retire to executive session to deliberate and to reach a conclusion. No person shall be present in any executive session for this purpose except, at the specific request of the Board, the Secretary and counsel for the Board.
- 15.2 In its deliberations, the Board shall give due consideration to the fact that the Chief has the burden of presenting reliable, relevant evidence to the Board as to the factual and circumstantial basis of the disciplinary action under review. The Board shall also give due consideration to the primary disciplinary responsibility and authority of the Chief.
- 15.3 Following its deliberations in executive session at the conclusion of a hearing, the Chairperson shall reconvene the Board in open session to vote on the final decision. Factual findings of the Board then shall be reduced to written form entitled "Findings and Order," which shall be signed and dated by the Chairperson in the name of the Board. Any member of the Board, upon request at the hearing, shall have the right to have any separate or dissenting opinion included as part of the "Findings and Order" which shall be entered on the records of the Board only as preliminary order. A copy of the recommended order shall be sent to the appealing officer and Chief. Each party then shall have fifteen (15) days from the date of mailing to file exceptions with the Board. The Board shall consider the record including the recommended order and timely exceptions and may accept and adopt, reject or modify, in whole or in part, the recommended order, or remand the appeal of the matter, in whole or in part, to the hearing officer for further proceedings. The Board shall issue a final order within thirty (30) days after receipt of the hearing officer's recommended order. If it differs from the recommended order, it shall include separate statements of findings of fact and conclusions of law.
- 15.5 Appeals from Board orders may be taken to the Jefferson Circuit Court in the manner set forth in KRS 67C.323.
