

District 21 Participatory Budgeting Project Survey 2020

Did you know every Metro Council Office receives funding annually to support neighborhood development efforts and area nonprofits? In Fiscal Year 21, the amount was \$65,000 per district. Would you like to influence how a portion of that funding is spent?

Please take a few minutes to:

- 1) Take this survey to lend your voice to drive decision making, both short and long term
- 2) Learn about participatory budgeting
- 3) Offer contributions by volunteering

Who can participate in this survey? Residents living in District 21 can submit ideas for the process. This includes the following neighborhoods and areas: Beechmont; Iroquois; City of Lynnview; North Audubon; Preston Park; Southland Park; Southside; Trinity Park and Evergreen Manor; Camp Taylor South, and Colonial Square Cooperative.

Will my responses be kept confidential? Yes. Names will be separated from the data before data is shared. Your records will be reviewed by the Office of District 21 and McNary Group, who is administering the survey. During the survey, you can opt into sharing your contact information if you wish to stay connected.
