

FY21, FY22
Revenues

Note: a few
missing
pieces, but
you can
easily see
the
patterns.

Suburban Fire District Revenues, Uniform Financial Information Reports, FY21

Tax Rates, 2021, 2022

Note: the rates were all 10 cents until around 2017. There have also been a lot of mergers.

The 2022 rates are what we used to add to the suburban city real estate rates in the chart you mentioned. Complicated GIS puzzle, given all the overlaps, but believe it is very accurate.

Property Tax Rates, 2021 Tax Year, in cents per \$100 valuation
