AMPED	Flaget Community Center 4425 Greenwood Ave & AMPED at Shelby 600 E. Oak St	6 to 18	11 am to 4 pm M-F	13-Jun	This summer will be our first summer offering three camps with two themes and at two AMPED locations. AMPED @ Flaget which is located in the Chickasaw Neighborhood and AMPED@ Shelby that is located in the Shelby Park/Smoketown Neighborhood. Each camp will be open to up to 25 students. We decided on this new set up because in music, there are two types of artists; those who create for fun and those who create to share and perform their work. Both of these are beautiful and valid ways to approach creative expression. This year our free Annual Summer Music Camp we will be offering two separate summer camp experiences to accommodate children that create on each end of the spectrum; "Practice and Play" and "Create and Perform"!

For higher learning and increased emphasis of the material provided, participants will apply these learned skills to real life situations. This component will build confidence, critical thinking and decision-making skills. Activities also include field trips and guest speakers. Breakfast, lunch and a take home snack are provided daily.

Junior Achievement of Kentuckiana	JCPS school sites thru YMCA summer camps	6 to 11	Occurring as part of YMCA Summer Camps	13-Jun	<p>With interactive programs tailored to elementary, middle and high school students, Junior Achievement introduces young people throughout our community to the realities and possibilities of the working world and personal finance. This summer, we partner with several YMCA locations to serve students ages 6-11 using our interactive, real world learning experiences. Campers will learn the value of work and personal choices involving money, saving and giving. They will also learn how family jobs contribute to the well-being of the family and the community. The JA content teaches young people about the difference in wants, needs, goods, and services as these summer campers explore businesses and jobs in a community. They learn about taxes, decision making, and how money flows in an economy. Many of our area's young people did not get to experience Junior Achievement in their classrooms over the past two years. This summer's learning experience is the perfect way to bridge many of the gaps that were formed when the schools closed.</p>
Kaylyn's House of Joy	Shawnee	11 to 18	M & T 6-7:30 pm	6-Jun	<p>This summer Kaylyn's House of Joy presents "Pitch Perfect with a Purpose," a summer program for all youth ages 8-18 who are interested in singing various genres of music in a choir-style setting. This program was created by the VP of Kaylyn's House of Joy after witnessing the power of music when uplifting the clients in our home. Realizing the negative snowball effects produced when youth lack the tools needed to address their traumas, we knew we must bring this idea to the community. Studies show that singing can be good on many levels. It may help lower stress, improve mental health, and help one cope with physical and emotional pain. One of the best things about singing, is that you don't have to be good at it to reap its rewards. Kaylyn's House has contracted experienced choir musicians and an artistic director attending University of Louisville's music department to assist in bringing this program to life. This program is completely free to all participants. Practices will be held at Shawnee Community Center on Mondays and Tuesdays 6:00-7:30pm starting June 6th. Stay tuned for future details on our end of the Summer Concert "Pitch Perfect with a Purpose: A Story of Life's Journey" For more info call: (502) 509-3885</p>
