Complete Streets Coalition – Notice of Support

The Complete Streets Coalition (CSC) has voted to support the construction of the project

Big Ben Speed Hump using \$32,000 of the Traffic Calming Funds in the Fiscal Year 2023 budget. Attached is a project description, preliminary plans, and an estimated budget for the project. The Complete Streets Coalition requests and update if:

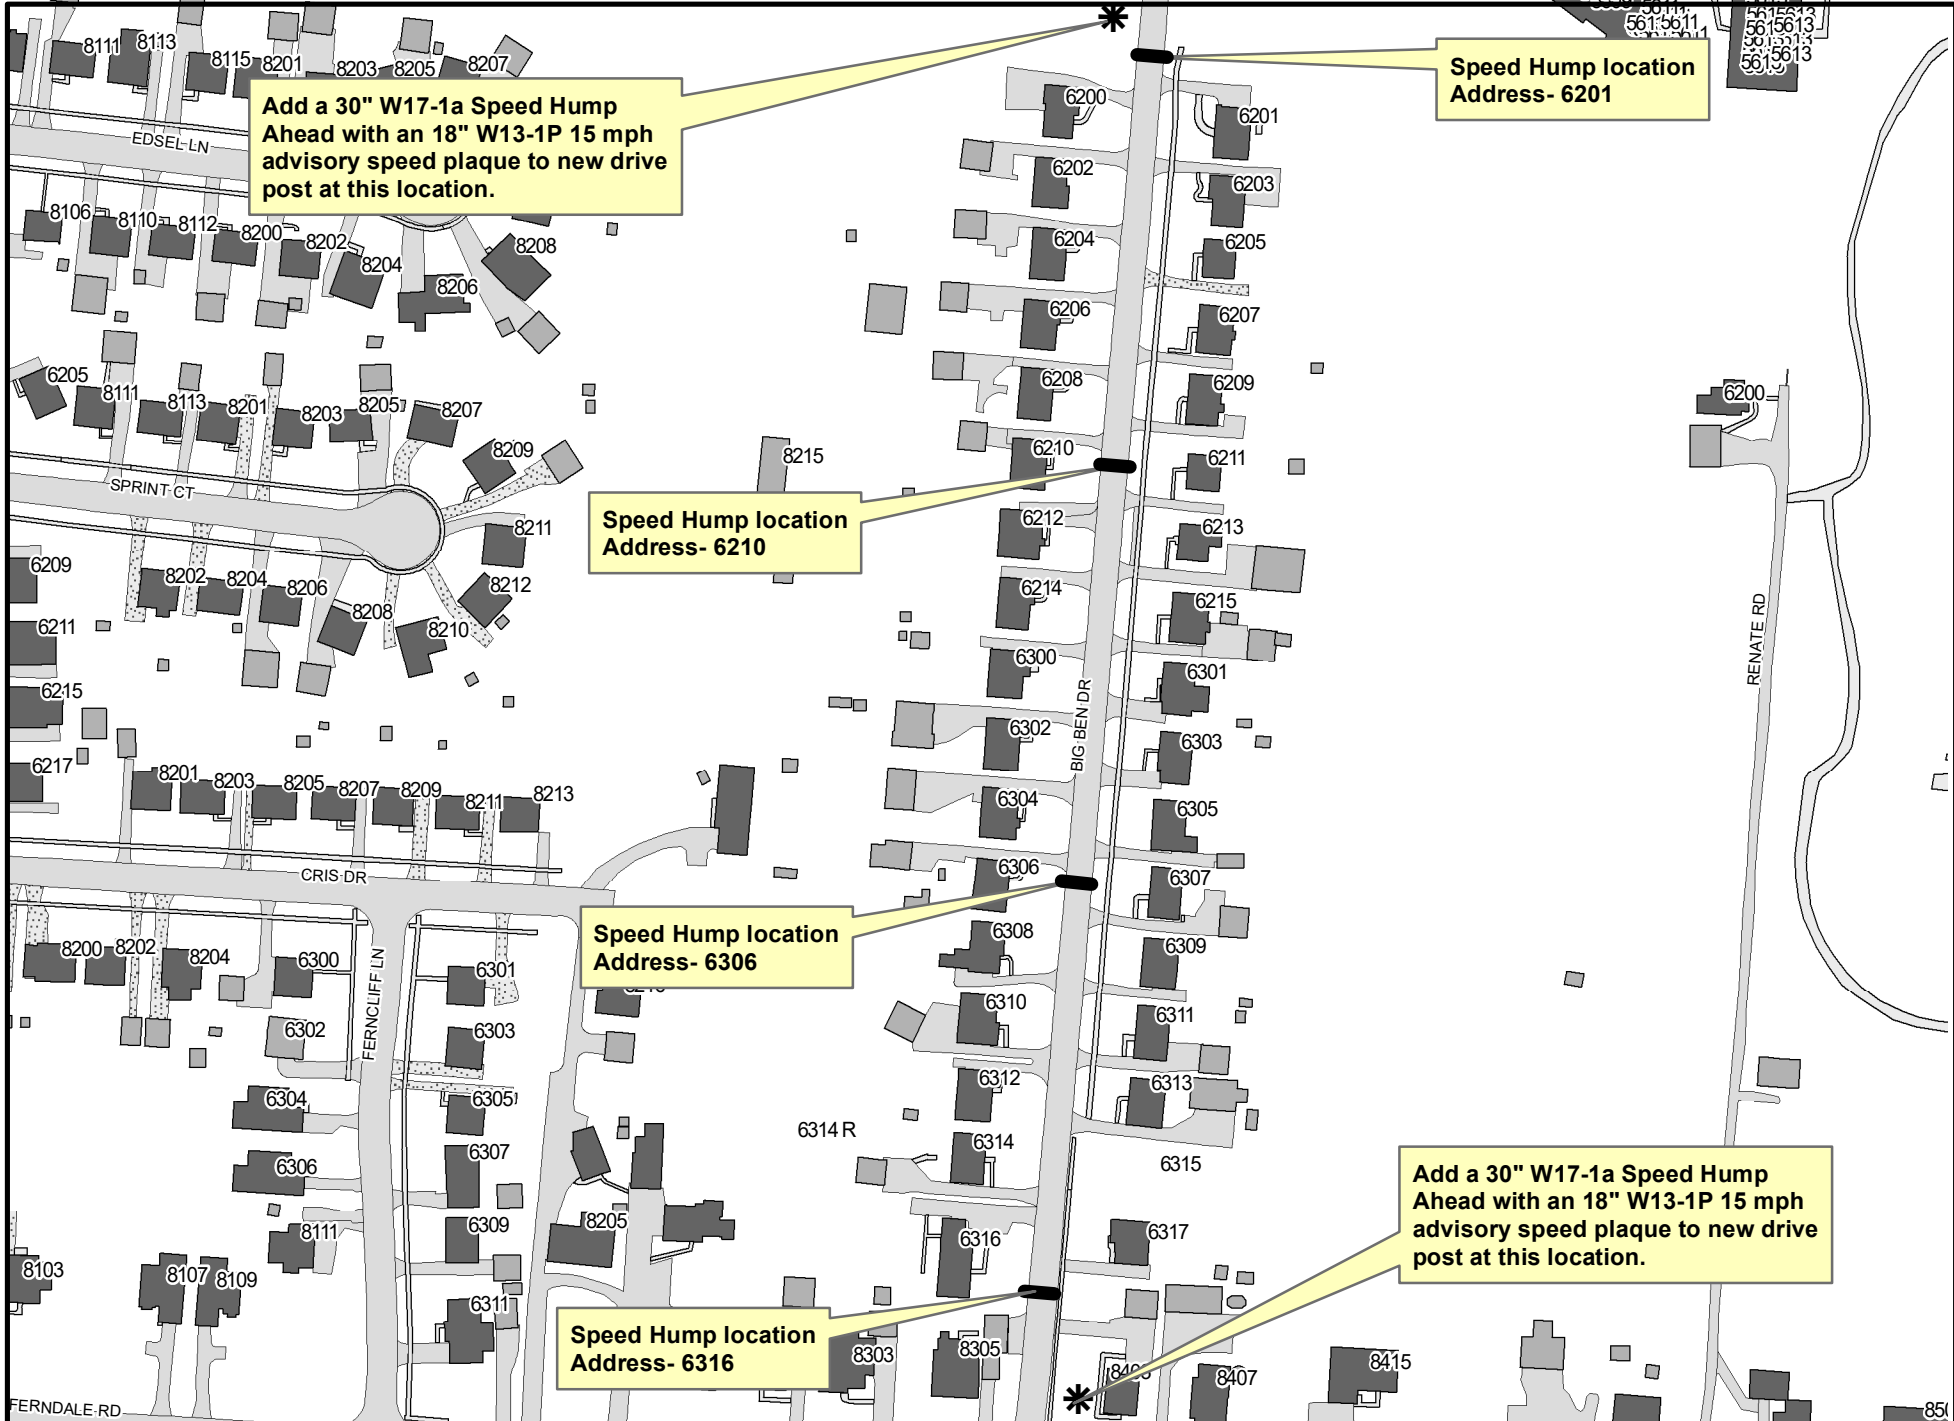

- the cost of the project exceeds the attached expected budget,
- a major deviation of the preliminary plans occurs,
- the project has not moved toward construction in 3 months from the signing of this document,
- or the project has been constructed.
