## Complete Streets Coalition – Notice of Support

The Complete Streets Coalition has voted to support the construction of speed humps using \$24,000 of the Traffic Calming Funds allotted in the Fiscal Year 2022 budget. Attached is a marked area for the study and then placement of speed humps. The Complete Streets Coalition requests public work staff update the CSC should:

- the cost of the project exceeds the attached expected budget,
- a major deviation of the preliminary plans occurs,
- or the project has not moved toward construction in 3 months from the signing of this document.
