B. IF APPLICABLE: Provide the name of each source of funding for this project outside of the funding being requested in this application. Include ALL sources which will fund any part of this project in any way between January 1, 2021 and June 30, 2021. Include a fair cash valuation for non-cash sources, like volunteer hours or donated space/services. If your organization has only applied to receive funding from a source, but has not been approved: list the total amount requested from the source in the value column & write in the notes column that the application has not yet been approved at the time of this application. For all other situations, list the total amount of funding that is available to your organization from the source in the value column below & write details about the funding in the notes section. (i.e. how much of the funding remains from the total available, is the funding on a reimbursement basis or does your organization have the total amount available today, etc.)
