

Do you need help managing your money or accessing public programs because of COVID-19?

Louisville Metro Government, in partnership with The Louisville Housing and Opportunities Micro-Enterprise Community Development Loan Fund (LHOME) has launched a no-cost **Financial Navigator Program**. You can receive assistance and guidance over the phone to help you manage the financial impact of COVID-19.

Trained Financial Navigators are available to help you manage financial issues, identify actions steps, and make referrals to other programs and services.

Sign up for Financial Navigator assistance:

- Email navigator@lhomeky.org, or
- Call: 502-657-6624

What Does a Financial Navigator Do?

During your free 30-minute session, Navigators can help you address concerns including:

- **Prioritizing daily expenses** like housing, utilities, and food
- **Maximizing income** through accessing benefits, emergency cash assistance, and emergency loans
- **Managing debt** including credit cards, student loans, and child support
- **Avoiding predatory scams**
- **Budgeting** for future loss of income

The Navigator will help you prioritize concerns and expenses, and identify next steps

Please note—Financial Navigators do not provide financial assistance
