

2014 Project Homeless Connect/VA Stand Down.

Louisville Metro RSVP needs YOUR help ... to help!

Men's & Women's Sock Drive

WHY? This year's **Project Homeless Connect/VA Stand Down** event will include a compassionate, new outreach - foot washing. Planners of the event also hope to provide each cleansed set of feet with a new pair of socks! **RSVP** (*Retired & Senior Volunteer Program*) is now collecting pairs of new socks to help in this effort.

Many veterans experiencing homelessness have issues with their feet due to diabetes, frostbite and other exposure issues. This *person-to-person* service provides a clearer examination and opportunity to refer veterans with needs to serving podiatrists.

Strong-hearted volunteers to wash feet and handle water bucket duties are also being sought! Please contact Natalie Harris at nharris@louhomeless.org to give your name, contact information and time you wish to volunteer.
