RETENTION / ATTRITION										
<p>The Retention threshold set by the CoAEMSP is 70% and based on the percentage of students who started on the enrollment date (who began Paramedic coursework) who are enrolled and graduated. The success of Retention will be computed using the total number of students that completed in the most recent reporting year (2017) and is calculated by determining Attrition (the number of students who dropped out divided by the total number of students enrolled). Once the Attrition percentage has been determined, then the Retention percentage is 100% minus the Attrition percentage.</p>										
Retention Threshold 70%										Current Year Totals
Enrollment Date	mm/dd/yyyy =>									
On-time Graduation Date	mm/dd/yyyy =>									
Total # of Students enrolled in this cohort										
Academic Reasons for Attrition:										
*(answer required for each academic category or results will not calculate.)										
*Number dismissed due to grades										
*Number withdrew due to grades										
*Number due to other academic										
Subtotal # Academic Attrition Reasons										
Non-academic Reasons for Attrition:										
*(answer required for each non-academic category or results will not calculate)										
*Number due to financial										
*Number due to medical/personal										
*Number due to other/unknown										
Subtotal # Non-academic Attrition Reasons										
Total Attrition										
Total Graduates										
Attrition %										0.0%
Retention %										0.0%

(For informational purposes only to check for accuracy)
 Manually Calculate Attrition/Retention Results:

$$\text{Attrition} = \frac{\text{Total \# of Academic Reasons} + \text{Non-academic Reasons} + \text{Other/Unkown Reasons}}{\text{Total \# of Students enrolled}}$$

$$\text{Retention} = 100\% - \text{Attrition}$$

The following results are for which written exam?

Are students allowed to take both State & Registry?

Only one (1) exam outcome results can be reported. Do not combine Registry and State numbers if students are allowed to take both.

<p>The National Registry (written and/or practical) threshold set by the National Registry or State Exam (written and/or practical) threshold set by the State is 70%. The success of any exam results will be computed over the most recent reporting year (2017) based on the total number of graduates attempting the exam(s) pass (i.e., unduplicated head count of attempters who pass).</p>

*Number passing - First attempt										
*Number passing - 3rd attempt cumulative pass rate										
Total Passing in 2017										
										0.0%

(For informational purposes only to check for accuracy)
 Manually Calculate NREMT/State Written and/or Practical Exam Results:

$$\text{Pass Rate Success} = \frac{\text{\# of graduates passing first three(3) attempts}}{\text{\# of total graduates}}$$

Positive (Job) Placement										
The Positive (Job) Placement threshold set by the CoAEMSP is 70%. Positive (Job) Placement means that the graduate is employed full or part-time or volunteers in the profession or in a related field; or is contiuing his/her education; or is serving in the military. A related field is one in which the individual is using cognitive, psychomotor, and affective competencies acquired in the educational program.

*Number of Graduates employed										
*Number of Graduates continuing education or serving in the military, but NOT employed										
Total Positive Placement in 2017										
Positive (Job) Placement										0.0%

(For informational purposes only to check for accuracy)
 Manually Calculate Positive (Job) Placement Results:

Positive (Job) Placement = $\frac{\text{\# of graduates employed} + \text{\# of graduates continuing ed/serving in the military but NOT employed}}{\text{Total positive placement to date}}$

GRADUATE SURVEYS										
For each group of graduating students, programs are required to conduct surveys of those graduates and the employers of those graduates within 6-12 months after graduation using the CoAEMSP required graduate survey items.

 Manually Calculate Graduate Survey % Sent Results:

Graduate Survey % Sent = Total Graduates = Total Number of Graduate Surveys Sent

EMPLOYER SURVEYS

 Manually Calculate Employer Survey % Sent Results:

Employer Survey -% Sent = Total Graduates = Total Number of Employer Surveys Sent

Satellite Locations

***Satellite:** Paramedic programs that establish multiple classes in a manner that does not meet the definition of a "section" and for which the program retains operational control, shall be said to have created a "satellite" program. (See CoAEMSP Policy) They may be off-campus location(s) that are advertised or otherwise made known to individuals outside the college at which the Emergency Medical Service core didactic and laboratory courses of the program are available (does not pertain to sites used by a completely on-line/distance education program for individual students). Satellite location(s) function under the direction of the Key Personnel of the program.

NOTE: Students enrolled at a satellite that is not CoAEMSP approved are at risk of not being eligible for the NREMT exam upon completion of the program.

Does the program operate at any satellite locations?

No

The program does not operate Satellite Locations. Please move to the Resource Assessment section below.

RESOURCE ASSESSMENT

Accredited programs must conduct Resource Assessment at least annually (Standard IIID) and are required to complete a Resource Assessment Matrix (RAM) which includes ten (10) categories [Faculty, Medical Director, Support Personnel, Curriculum, Financial Resources, Facilities, Clinical Resources, Field Internship Resources, Learning Resources, and Physician Interaction]. If programs have identified deficiencies in resources, an action plan and follow up are required to address those deficiencies. The Advisory Committee should be involved in both assessing the resources and reviewing the result. All resource assessment documents (i.e. student and personnel surveys, matrix, and data collection spreadsheet) are located on the CoAEMSP website.

<http://coaemsp.org/Evaluations.htm>

Were all of the Resource Assessment Matrix [RAM] categories equal to or above 80% in 2017?

Yes

Congratulations!! All Resource Assessment Matrix categories have been indicated as Met. Please scroll down to the General Information section below.
