### Responsible Official Certification

The "Responsible Official" is the person in charge of a principal business function, or other person who performs similar policy or decision-making functions for the corporation, or a duly authorized representative of that person if the representative is responsible for the overall operation of one or more manufacturing, production, or operating facilities applying for or subject to a permit. See District regulation 1.02, section 1.71 for a complete, detailed definition of Responsible Official.

**Based on information and belief formed after reasonable inquiry, I certify that the statements and information in this document and all associated attachments are true, accurate, and complete.**
