

REGULATION 5.01 General Provisions

Louisville Metro Air Pollution Control District Jefferson County, Kentucky

Pursuant To: KRS Chapter 77 Air Pollution Control

Relates To: KRS Chapter 77 Air Pollution Control

Necessity And Function: KRS 77.180 authorizes the Air Pollution Control Board to adopt and enforce all orders, rules, and regulations necessary or proper to accomplish the purposes of KRS Chapter 77. This regulation contains a statement of general duty and a savings clause relating to federal and SIP emission standards.

SECTION 1 General Duty

The owner or operator of a process or process equipment from which a toxic air contaminant is or may be emitted shall provide the utmost care and consideration to prevent the potential harmful effects of the emissions resulting from the process or process equipment. A person shall not allow any process or process equipment to emit a toxic air contaminant in a quantity or duration as to be harmful to the health and welfare of humans, animals, and plants.

SECTION 2 Effect on Federal and SIP Emission Standards

If the application of this regulation or Regulation 5.20, 5.21, 5.22, 5.23, or 5.30 results in an emission standard that is less stringent than an applicable federal emission standard promulgated under the Clean Air Act or an applicable emission standard in the State Implementation Plan (SIP), then the federal or SIP emission standard shall apply.
