

Notice of Action on a Federally Enforceable District Origin Operating Permit (FEDOOP)

The Louisville Metro Air Pollution Control District (District) proposes to revise a FEDOOP operating permit for **Republic Conduit Manufacturing** (steel pipes and tubes manufacturing plant), 7301 Logistics Drive, Louisville, KY 40258 in accordance with Regulation 2.17. This permit revision incorporates construction permit C-1553-1037-18-F for multiple unit modifications and incorporates multiple newly installed insignificant activities. This permit revision also updates equipment as requested by the company. The 30-day public comment period starts on October 22, 2019, and ends on November 22, 2019. A public hearing may be scheduled if the District determines that there are germane, unresolved issues or substantial public interest, in accordance with Regulation 2.07.

Drafts of the permit and summary are available at the District office, 701 West Ormsby Avenue, Suite 303, Louisville between 8:00 a.m. and 5:00 p.m., Monday through Friday, by calling Matt King at (502) 574-6000 or emailing airpermits@louisvilleky.gov or at the following website: <http://www.louisvilleky.gov/APCD/docket>. Copies of the application are available upon request. Written comments will be accepted at airpermits@louisvilleky.gov until midnight or at the District office until 5:00 p.m. on November 22, 2019.
