Public Meeting

Forth Technologies, Inc. Operating Permit Renewal

Thursday, July 2, 2020, 6:00 p.m.

VIA WebEx Video-Teleconference

On Tuesday, July 2, 2020, the Louisville Metro Air Pollution Control District (APCD) will host a virtual public meeting from 6:00 p.m. to 7:30 p.m. to discuss a proposed Federally Enforceable District Origin Operating Permit (FEDOOP) Renewal for Forth Technologies, Inc., 600 Bergman Avenue, Louisville, KY 40203.

The public meeting will be open to residents, businesses, and other community members who would like information on how APCD generally regulates air pollution sources, the procedures that APCD uses to issue permits and monitor compliance, and how the proposed permit addresses emissions of air pollutants from Forth Technologies, Inc. During the meeting, the public will be able to ask questions regarding the proposed permit.

Instructions on attending the teleconference follow the agenda and are also available at www.louisvilleky.gov/APCD/Docket.

Discussion using WebEx: If you would like to speak, on the WebEx screen, please “raise your hand” as follows:

To use the feature:

1. Find your name on the participant list, and hover over your name. A Raise Hand icon will appear.
2. Click on the Raise Hand button which will place a small hand icon next to your name in the participant list.

3. Click on the Lower Hand button to withdraw the request.

If there are many raised hands, the moderator will call on participants in the order in which the requests were received.

Your name will be called when it is your turn to comment and the host will unmute your line automatically.

Discussion using Phone Only: If you would like to speak, please *3 on your phone to “raise your hand.” WebEx will acknowledge that your hand has been raised and to please wait until the host calls on you. Raising your hand signals to the host that you would like to speak, and you will be added to the list.

We apologize, but we will not be able to call you by name or the last four digits of your telephone number since these are not provided by WebEx for phone only participants. Instead, we will announce that a caller wishes to make a comment and automatically unmute each caller in turn.

For all speakers: Please tell us your name when you begin speaking and be mindful that others may be waiting to speak during the meeting.

Please note: You can hang up and/or leave the meeting at any time.

Background: Please see [this presentation](#) to learn more about APCD’s regulatory process.
