

Louisville Metro Air Pollution Control District Notice of Public Meeting

The Louisville Metro Air Pollution Control District (the District) announces a **Public Meeting** regarding possible amendments to Regulation 5.15, *Chemical Accident Prevention Provisions*.

The public meeting will provide a forum to share information about this regulation and to informally discuss possible amendments and answer questions from the public. This meeting will be held via teleconference (due to the COVID-19 outbreak) from 6:00 to 7:30 p.m. on July 15, 2020. Instructions on attending the teleconference will be posted at www.louisvilleky.gov/APCD/Docket before the meeting and emailed to subscribers of APCD Public Notices (www.louisvilleky.gov/government/air-pollution-control-district/subscribe-stay-informed-apcd).

A paper copy of the associated Advanced Notice of Proposed Rulemaking (ANPR), along with a brief Fact Sheet, may be obtained from the District by contacting us at (502) 574-6000. Please specify that you are calling in regard to the Regulation 5.15 ANPR, provide your name and mailing address, and allow time for processing and delivery via USPS. An electronic copy of the ANPR and Fact Sheet may be downloaded from the District's website at www.louisvilleky.gov/APCD/Docket. The current version of Regulation 5.15 can be found on the District's website at www.louisvilleky.gov/file/5-15v3pdf.
