

# Simpson Strong-Tie Presents a Free Training Workshop In Erlanger, KY on Wed., October 21st

## CONTINUOUS LOAD PATH (Wood-Framed Structure)

This Free workshop is designed for Architects, Engineers, Dealers, Building Officials, Contractors, Builders, and Home Inspectors interested in satisfying the structural code requirements, based on the International Residential Code and the International Building Code. It will be followed by an overview of Simpson Strong-Tie products developed to satisfy the requirements at the lowest installed costs and thus improving the performance of wood-framed structures.

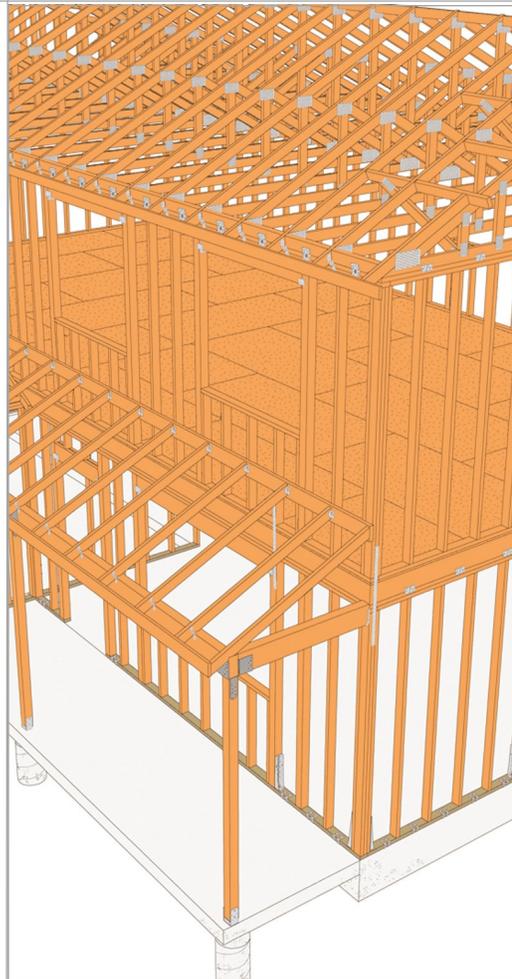

### CONTINUING EDUCATION CREDITS:

- 6 Professional Development Hours (PDH) awarded.
- Approved by the Ohio Board of Building Standards—BBS2015-193
- Approved for (6) credit hours for KY Certified Building Inspector Program
- Please contact your certifying licensing organization or agency directly to inquire if they accept CEU's from IACET providers or require PDHs, only.

### CLASS OUTLINE TOPICS:

Foundation Sill Plate Connections, Mechanical and Structural Adhesive Anchors for Sill Plates, Wall Framing, Wall Bracing/Shear Wall Solutions, Floor Construction-hangers & fasteners and Roof Tie-down Construction
