LOT GRADING AND EROSION PREVENTION AND SEDIMENT CONTROL CERTIFICATION

I hereby certify that I have reviewed the composite grading and drainage plan prepared by the Developer's engineer and approved by the Metropolitan Sewer District (for a lot in a recorded subdivision.) I acknowledge that as a condition of the permit, I am responsible for assuring that lot grading be done in accordance with the approved Subdivision Plan, that site drainage be carried to a public outlet as identified on the approved Subdivision Plan, and that adjacent properties will not be adversely impacted, or if the development is not part of an approved subdivision plan;

I hereby certify that I will abide with the requirements of the Jefferson County Erosion Prevention and sediment Control Ordinance Section 159.02.014. (b): Single Family Moving. I further understand and acknowledge that as a condition of the permit, I am responsible for assuring that appropriate construction practices and sediment controls are utilized, I am responsible for assuring the practices of all contractors and sub-contractors employed for the purpose of this permitted construction shall conform to appropriate sediment control practices, I am responsible for assuring the appropriate selection, installation and maintenance of said sediment control practices, I am responsible for assuring that site construction practices do not interfere with any required subdivision sediment control practices as noted on plans approved by the Metropolitan Sewer District, I am responsible for assuring adjacent properties, public roadways, and receiving waters will not be adversely impacted.

In a manner prescribed by the City Engineer, the permittee will indemnify the city against any loss caused by damage to public property during the move, and that he will pay damages to any person injured by the moving.

Permittee expressly agrees to save and hold harmless Louisville Metro and any of its employees or agents, from any and all liability which may result from work performed under this permit.

Permittee has paid to the Building Department in the sum of \$200.00 for the structure to be moved under this permit. Make check payable to Louisville Metro Finance.

Permittee will have two escort vehicles, one in front of the moving vehicle and one behind the moving vehicle, accompanying the moving vehicle at all times of the moving operation.

The Building Inspector certifies that the described building is structurally sound and capable of being moved, and will conform in its new location to the Building and Zoning Regulations.

The City Engineer certifies that the streets and alleys on the described moving route are capable of supporting the moving operation.

Permittee attests that he/she has notified and made all the proper arrangements for the moving operations with the following agencies or companies:

- Louisville-Metro Police Department – Traffic Bureau
- Metropolitan Parks & Recreation
- Louisville Division of Fire – Chief’s Office
- Louisville Emergency Medical Services – Director’s Office
- Louisville Gas & Electric Company – Underground Gas Division
- Bell South Telephone Company
- Louisville Water Company
- Cable Television Companies

This permit is to be maintained in the moving vehicle during all times of the move and subsequent relocation, and is to be returned to the Chief Building Inspector at the completion of the move. This permit is only for the movement of structures on streets within the corporate limits of the city of Louisville, It is not a substitute for any other permit, nor may it be used for any other purposes, nor used at any other time than specified herein.

Any person who violates Ordinance 94.09 shall be fined \$100 for each day or fraction thereof in which any portions of the public ways are occupied by any structure or building, or imprisoned for not less than five days, nor more than 20 days or both.
