

LOUISVILLE FORWARD

Doing Business in Louisville, KY

Louisville-Jefferson County Metro welcomes you

Louisville is a competitive, authentic, global city, home to UPS WorldPort and a center for advanced manufacturing and logistics, as well as among only a dozen U.S. cities that have all five major performing arts groups. As the hometown of Muhammad Ali, Louisville punches above its weight and its 750,000 population.

Midwest or South? Both!... With its Midwestern sensibilities and southern hospitality, Louisville is the regional economic hub and cultural and artistic heart of 24 surrounding counties in Kentucky and Southern Indiana. Within a day's drive of two-thirds of the U.S. population, it's also a strategic location for thousands of companies, including large corporations and growing startups.

Bourbon is a food group... The city is home to the Kentucky Derby and the world's great bourbons, from Maker's Mark to Jim Beam to Woodford Reserve, all distilled in the Louisville area. Louisville's reputation as a hub of innovation for food and bourbon (in addition to other spirits) has earned it accolades from far and wide, including Zagat, which named Louisville as a top foodie destination in the world.

Logistics, advanced manufacturing, health care, and more!... Louisville's business strategies focus on areas of strength where large numbers of companies already are successful in Louisville. Ford and GE are experiencing major growth in advanced manufacturing, and the wealth of logistics operations make it easy for them and similar companies to continue to excel. Louisville also is home to the largest concentration of healthcare providers in the lifelong wellness and aging care sector.

Live. Work. Create. Innovate.

The following checklist is a guide to help lead you through the process of purchasing a building, rehabilitating it to meet your needs, and/or opening your business in Louisville, Ky. Louisville Metro has regulations in the form of ordinances, code requirements, guidelines and review processes that guide the development process. This checklist is intended to provide you with an overview of the range of issues that you may have to address as you move your project forward. It is not intended to be an all-inclusive list. It is your responsibility to meet all requirements of the government where applicable to your specific project.

BUSINESS BASICS

Business Name and Business Plan (Creation of a business plan is typically a prerequisite for securing a loan to start a business. See *Business Incentives* below for loan information.)

Contact: Small Business Development Center, 502.574.1378

<http://www.ksbdc.org/locations/louisville>

Metro Tax ID# Application – For tax purposes, all businesses are required to be registered with the Louisville Metro Revenue Commission.

Contact: Louisville Metro Revenue Commission, 502.574.4860,

<https://www.metrorevenueservices.org/Registration/>

State Tax Application – If you are starting a new business in Kentucky or beginning a new activity, you may need to register with the Department of Revenue.

Contact: Kentucky Department of Revenue, 502.564.3306

<http://revenue.ky.gov/business/register.htm>

Business License – There are specific kinds of businesses which require a business license. If you have a restaurant, pawn, vendor or escort service, your business will require a license.

Contact: Louisville Metro Department of Codes and Regulations, 502.574.3321

<http://www.louisvilleky.gov/government/codes-regulations/licenses-permitsabc>

Small Business Administration – This agency can help with many new business questions and has a loan program available through local banking institutions.

Contact: Louisville office, Small Business Administration, 502.582.5971

<http://www.sba.gov/localresources/district/ky/index.html>

Financing Considerations:

Have you been pre-qualified for a loan to purchase a building? (If so, this can accelerate the process of acquiring a building.)

Have you established your borrowing capacity to help formulate your project budget?

Have you shopped around for the best loan offer?

Insurance Requirements and Cost

Attorney and Financial Consultants

SELECTING YOUR LOCATION

All of the steps above may impact your location. Will you purchase or lease? Either way you may want to consult with a professional Realtor to help guide you through the process. If you're leasing, negotiate the deal so that you are allowed time to conduct inspections and get government approval to open.

Staff also is available to help you find property that is either on the market or underutilized suited for your specific needs.

Contact: Louisville Forward, Department of Economic Development, 502.574.4140

HOME OCCUPATION

Operating a business out of your home may be allowed depending on several factors including the number of people employed, the size of the business, and the nature of the business. You are required to register the Home Occupation with Planning & Design Services. In some cases, you may need a Conditional Use Permit if you require additional employees. Renovations to the building may require a building permit.

Contact: Louisville Metro Planning & Design Services, 502.574.6230

<http://www.louisvilleky.gov/government/planning-design/planning-and-design-applications>

ZONING AND FORM DISTRICT REQUIREMENTS

What is the current zoning district classification for the property?

Is the use intended for the property allowable under existing zoning?

Is the property located in any special zoning district (e.g. locally designated historic district or overlay district) that may require an additional layer of approval?

Contact: Louisville Metro Planning & Design Services, 502.574.6230

<http://ags2.lojic.org/lojiconline/>

(Editor note – this map tool will also give you other information such as preservation district, local fire district, Council District, to name a few...)

Signage: Signs must meet dimensional and location standards based on the form district designation of the property, the use of the property, and the size of the wall face. Additional requirements may apply if the property is in an Overlay District or Preservation District. Signage must be approved and permitted by the City. Regulations for temporary and permanent signage should be reviewed prior to design and purchase.

Parking: Off-street parking requirements, if required, are tied to the use and square footage of the building. Waivers of off-street parking may be granted under certain circumstances. New parking lots and additions to existing parking lots require a parking lot permit.

BUSINESS INCENTIVES

The Department of Economic Development provides programs that assist with start-up capital, capital improvements to commercial and public properties and tax incentives. Through the relationship between the Economic Development Department and Greater Louisville Inc. , companies who may qualify for state loans or tax credits are connected to the state’s Cabinet for Economic Development.

Contact: Dept of Economic Development, 502.574.4140

<http://www.louisvilleky.gov/government/economic-development/services/incentives-and-financial-programs>

HISTORIC PRESERVATION

Is my property located in a locally designated Preservation District? Is my building a locally designated Landmark?

Any changes to a building in a historic district, or a designated Landmark, will require approval of the Historic Landmarks and Preservation Districts Commission, established by the City.

Contact: Louisville Metro Planning & Design Services, Historic Preservation, 502.574.6230

Is there a form I have to fill out if I want to make exterior changes? If your building is located within a preservation district or is a designated landmark, any exterior changes you want to make will require the submittal of an application, called the Landmarks Certificate of Appropriateness & Overlay District Permit, and approval by the Landmarks Commission.

Louisville presently has seven regulated Local Preservation Districts – Butchertown, Cherokee Triangle, Clifton, Limerick, Old Louisville, Parkland and West Main Street. There are more than 60 Individual Local Landmarks. The application for each of the Preservation Districts is at the following website.

<http://www.louisvilleky.gov/government/planning-design/historic-preservation-landmarks-and-overlay-districts>

SUBMITTING A SITE PLAN

If your business is locating to a property that needs any redevelopment or new construction, you may be required to submit a site plan and go through a review process with Louisville Metro Planning & Design Services. This review will consider all aspects of the design of the property, including traffic movement in and around the site, landscaping and parking. Most site plan reviews are coordinated with multiple reviewing agencies.

Contact: Louisville Metro Planning & Design Services, 502.574.6230

<http://www.louisvilleky.gov/government/planning-design/user-guides>

CONTRACTORS

Any contractor or subcontractor obtaining a permit must be identified with Louisville Metro. The identification or licensing process requires that the contractors provide proof of workman’s compensation, liability and unemployment insurance as required by Kentucky Revised Statutes.

Louisville Metro has an identification or license for each permit type. The general/building contractor can obtain parking lot/landscaping permits with their identification license. Proof of holding a State License must be shown to obtain electrical, HVAC, plumbing and sprinkler permits.

Contact: Louisville Metro Department of Codes and Regulations, 502.574.3321

<http://www.louisvilleky.gov/government/construction-review/contractor-licensing>

CONSTRUCTION PERMITS

If you own the property, or are otherwise responsible for renovation or build out of the building (a change to the footprint of the building or modification of any internal walls), you may be required to file a building permit. If the new use of the building is a change in use from the prior use, a building permit also would be required. Depending upon the kind of work that needs to be done, other permits required may include electrical, HVAC, fire detection. Plumbing permits are obtained through the State.

Contact: Louisville Metro Department of Codes and Regulations, 502.574.3321

<http://www.louisvilleky.gov/government/construction-review/construction-review-permits-map>

AIR PERMITS

Depending upon the kind of work on an existing facility, or equipment, that your business will need to do in order to move in, you may be required to obtain an air permit through the Air Pollution Control District. If you plan to build, install, modify, replace or operate equipment that emits or controls the emission of air pollutants, you will need an air permit.

Contact: Air Pollution Control District, 502.574.6000.

<http://www.louisvilleky.gov/government/air-pollution-control-district/air-pollution-permits-and-compliance>

RESTAURANTS/BARS

If you are interested in opening a restaurant, you will be required to obtain a food establishment permit.

Contact: Louisville Metro Health Department, 502.574.6769

<http://www.louisvilleky.gov/government/health-wellness/services/food-permits-and-requirements>

In order to serve alcohol at a restaurant or bar, you also will be required to obtain an Alcohol Beverage Control license, through both local and state offices.

Contact: Louisville Metro Department of Inspections Permits & Licenses, 502.574.3321

<http://www.louisvilleky.gov/government/codes-regulations/alcoholic-beverage-licenses>

Contact: Kentucky Department of Alcoholic Beverage Control, 502.564.4850, <http://abc.ky.gov/>

WORKFORCE

If you are in need of employees with specific skills, or are looking for training opportunities, you may benefit by working with KentuckianaWorks, the Workforce Investment Board for the greater Louisville region consisting of Jefferson, Bullitt, Henry, Oldham, Shelby, Spencer and Trimble counties.

KentuckianaWorks provides strategic leadership for workforce development efforts in the area, including creative a responsive workforce system that meets the needs of employers.

Contact: KentuckianaWorks, 502.574.2500

<http://www.kentuckianaworks.org/>

FIRE AND SAFETY

The Fire Department may be one of the necessary signatures before a Certificate of Occupancy is awarded. If your business does not need a building permit for any structural changes to the building, it is always a good idea to contact them to ask if the building is suitable and up to code.

In the Urban Services District Contact: Louisville Fire, 502.574.3701

<http://www.louisvilleky.gov/government/fire>

Outside the Urban Services District Contact the local Suburban Fire District. These are listed on the Louisville Metro Website: <http://www.louisvilleky.gov/government/fire/fire-stations>

WASTE REMOVAL

Will city services be available to your business or are you required to seek commercial waste removal?

Contact: Metro Solid Waste Management, 502.574.3571

Commercial Waste Disposal:
