

**Omni Louisville Hotel and Parking Garage Project
Diversity and Local Participation
Summary Report
(February 2016 – April 2016)**

Overview

As part of its commitment to diversity and inclusion, Omni shall make good faith efforts to include at least 20% minority-owned participation and 5% women-owned participation in the construction of the Omni Louisville Hotel and Parking Garage project. In addition, Omni shall make good faith efforts to meet the goal of reserving up to 75% of the construction jobs available in connection with the initial construction for participation by Kentucky and Indiana residents, including good faith efforts to meet the goal of reserving at least 60% of such total available construction jobs for residents of the Metro Louisville Standard Metropolitan Statistical Area.

Project Results

Due to the fact that the design of this project has not been finalized, procurement of Subcontractors is not complete, and contracted subcontractors are finalizing their scope and tiered subcontractor/vendor awards. Hence, this report provided herein represents the to-date actual diversity awards through April 2016. Design completion is anticipated June 2016, therefore, the subsequent subcontractor scope development, awards and ongoing diversity commitments will increase thereafter.
