The application and selection process includes many steps designed to fully examine the applicant’s abilities and interest in firefighting. The following information is provided so that you may know exactly what is expected of an applicant.

The recruitment, application, examination and selection process involves the efforts of the Louisville Fire Department, the Louisville Metro Civil Service Board and the Human Resources Department of Louisville Metro Government. The Civil Service Board is a civilian body created by state law, separate from the Fire Department, which conducts the application and examination process (and other employment matters) in such a way that each candidate’s merit for selection is fully evaluated. Most (if not all) of your contact will be with the Civil Service Board’s staff, not with the Civil Service Board members themselves.
