BABY AND ME ARE SMOKE FREE

**SERVICE DESCRIPTION:** Pregnant or post-partum (after delivery) women, regardless of income, can receive information on stopping tobacco use during and after pregnancy. Participants may receive services in their homes or other convenient locations. Family and household members can be enrolled in telephone or on-line coaching and receive resource to help them quit smoking as well.

**ELIGIBILITY:** Participants must be pregnant or postpartum women who use tobacco products and live in Jefferson County.

**HOURS:** Monday – Friday, 8am-5pm

**LOCATION:** 400 East Gray St. or as determined by need

**SERVICE CONTACT:** Ellie Schweizer; Ellie.Schweizer@louisvilleky.gov 502-303-5663

**MATERNAL CHILD HEALTH**

**HANDS***

**SERVICE DESCRIPTION:** The Health Access Nurturing Development Services (HANDS) program is a voluntary home visitation program for new or expectant parents. HANDS support families as they build healthy, safe environments for the optimal growth and development of children. HANDS staff members provide support, information, and child development education from pregnancy through two years of age. Services can begin during pregnancy or anytime up until a child turns 3 months old.

**ELIGIBILITY:** Any parent expecting a new baby and residing in Kentucky is eligible. Families must be enrolled during pregnancy or before a child is 90 days old.

**AREA SERVED:** Louisville/Jefferson County

**HOURS:** Monday – Saturday; with evening and weekend appointments available

**LOCATION:** Ujima Neighborhood Place, 3610 Bohne Ave; Bridges of Hope Neighborhood Place, 1411 Algonquin Pkwy; and Northwest Neighborhood Place at Shawnee High School, 4001 Herman St.

**SERVICE CONTACT:** Judi Steilberg; Jsteilberg@Famchildplace.org , MSSW, LCSW, 502-882-5858

**BREASTFEEDING SUPPORT**

**SERVICE DESCRIPTION:** Mothers who participate in WIC are encouraged to breastfeed their children through the following services:

- At a WIC appointment, a nutritionist will provide encouragement, coaching, counseling and education. Peer counselors will provide follow-up support through telephone calls or home visits to check in, offer tips, answer questions, coach, and troubleshoot.
- Prenatal and postpartum mothers can participate in breastfeeding classes to learn the basics and benefits of breastfeeding or Mothers Milk Club support groups that meet twice monthly.
- Breastfeeding mothers are eligible to participate in WIC longer than non-breastfeeding mothers.
- Mothers who exclusively breastfeed their infants receive an enhanced food package.
- Breastfeeding mothers can receive breast pumps, breast shells or nursing supplements to help support the initiation and continuation of breastfeeding.

**ELIGIBILITY:** Mothers participating in WIC

**AREA SERVED:** Louisville/Jefferson County

**HOURS:** Monday – Friday, 8am-5pm

**LOCATION:** Newburg Health Clinic, 4810 Exeter Ave.; L&N Clinic, 908 W. Broadway; and Dixie Health Center, 7219 Dixie Hwy.; and home visits as desired

**SERVICE CONTACT:** Robin Gillespie; Robin.Gillespie@louisvilleky.gov 502-574-6511

**HEALTHY START**

**SERVICE DESCRIPTION:** Healthy start helps women plan for and have healthy pregnancies, deliver full-term babies, and raise healthy toddlers through home visits and coaching. Professional service providers can help women make reproductive life plans, make sure that prenatal care begins during the first three months of pregnancy, and have the skills they need to raise healthy, happy babies. Families with children up to two years can participate in home visits, telephone coaching, and parenting classes to improve skills and understanding of childhood development. Incentives such as Pack n’ Play Cribs, car seats, strollers, and diapers are offered for successful participation. Healthy Start also works to encourage and equip fathers to be involved and engaged with their children through the 502 Fathers program.

**ELIGIBILITY:** Women who are 15 to 45 years of age who reside in zip codes 40202, 40203, 40208, 40210, 40211, or 40212.

**AREA SERVED:** Portland, Russell, Shawnee, Park DuValle, Park Hill, Parkland, and Algonquin neighborhoods in Louisville, KY.

**HOURS:** Monday – Friday, 8am-5pm

**LOCATION:** Ujima Neighborhood Place, 3610 Bohne Ave; Bridges of Hope Neighborhood Place, 1411 Algonquin Pkwy; and Northwest Neighborhood Place at Shawnee High School, 4001 Herman St.

**SERVICE CONTACT:** Regina Moore; Regina.Moore@louisvilleky.gov 502-574-6661

*LMPHW contracts with Family and Children’s Place to provide these services.*
WIC (WOMEN, INFANTS, AND CHILDREN) CONTINUED...

number to call for information or to schedule an appointment:
502-574-6676

SERVICE CONTACT: Jennifer Bowman;
Jennifer.Bowman@louisvilleky.gov 502-574-6676

SERVICE DESCRIPTION: WIC provides assistance in four areas:

• Supplemental food: Provides vouchers or EBT cards so participants can buy nutritious foods such as cereals, milk, cheese, peanut butter, fruit, and vegetables. WIC also provides infant formula.
• Nutrition education: WIC provides health and nutrition education classes to help people understand their nutrition needs and learn about health prevention and improvement strategies.
• Referrals to healthcare and other social services: WIC offers referrals to other important services such as mental health, immunizations, and drug and alcohol treatment programs.
• Breastfeeding support: WIC offers guidance and support from a Certified Lactation Specialist and breastfeeding peer counselors about the benefits of breastfeeding and proper breastfeeding techniques.

ELIGIBILITY: Applicants must reside in Jefferson County, be pregnant, postpartum, or breastfeeding women, infants, or children up to the age of 5 years. Applicants’ gross income (before taxes) must fall at or below 185 percent of the U.S. Poverty Income Guidelines. Applicants will have a nutritional risk assessment by a qualified health professional to determine final eligibility. The nutritional evaluation is based on height, weight, and growth assessment; hematocrit or hemoglobin levels; general health history; and a diet assessment.

HOURS: Monday – Friday, 8am-5pm

LOCATION: Newburg Health Clinic, 4810 Exeter Ave.; L&N Clinic, 908 W. Broadway; and Dixie Health Center, 7219 Dixie Hwy. One
**SENIOR MEDICARE PATROL**

**SERVICE DESCRIPTION:** Senior Medicare Patrol (SMP) helps Medicare beneficiaries, their families and caregivers who have questions about billing issues or believe they may be a victim of healthcare fraud or scams. SMP staff and volunteers visit seniors wherever they gather, at senior centers, housing complexes, churches, and health fairs and talk about what they can do to prevent, detect, and report Medicare fraud errors, and abuse through outreach, counseling, and education. 

**ELIGIBILITY:** Medicare beneficiaries, their families, and caregivers. 

**HOURS:** 8am-5pm, Monday through Friday 

**LOCATION:** 400 East Gray St. 

**SERVICE CONTACT:** Michelle List; Michelle.List@louisvilleky.gov, 502-574-6960 or Jessica Miller; Jessica.Miller@louisvilleky.gov, 502-574-6164

---

**DIABETES PREVENTION AND CONTROL CONTINUED...**

both the number of new cases of diabetes as well as the sickness, disability, and death associated with diabetes and its complications. We act as a source of information and support for the self-management of those already diagnosed with diabetes to help them avoid complication and lead healthy lives. The program uses multiple avenues to achieve its goals including partnership building between area stakeholders, outreach, and public education programs. Our Diabetes Educators help individuals learn to manage diabetes and feel more confident about taking care of themselves by teaching participants how to manage their diabetes and eat better through nutrition presentations and diabetes education classes.

**ELIGIBILITY:** Jefferson County residents. 

**HOURS:** Varies depending on class. 

**LOCATION:** Varies depending on class. 

**SERVICE CONTACT:** Andrea Doughty; Andrea.Doughty@louisvilleky.gov, 502-574-6663 or Mary Bradley; Mary.Bradley@louisvilleky.gov, 502-574-6585

RADON
SERVICE DESCRIPTION: Radon is an odorless, colorless, radioactive gas. It is also the second leading cause of lung cancer in the United States. Having your home tested is the only effective way to determine whether you or your family is at risk of radon exposure. We can provide a free radon kit while supplies last.
ELIGIBILITY: Residents of Jefferson County.
HOURS: Monday – Friday, 8am-5pm
LOCATION: 400 East Gray St.
SERVICE CONTACT: Nicholas Hart; Nicholas.Hart@louisvilleky.gov, 502-574-6650
OFFICE OF EMERGENCY AND PUBLIC HEALTH PREPAREDNESS

SERVICE DESCRIPTION: The mission of the Office of Emergency Public Health Preparedness (OEPHP) is to plan and prepare for; coordinate the response to; and recover from public health threats or emergencies in coordination with local, state, and federal agencies. This may include planning how to staff and supply emergency shelters during a flood, or how to deliver life-saving medications after a bioterrorism attack. We are dedicated to preparing and leading the public health response to disasters and emergencies that affect Louisville Metro families, first responders, healthcare facilities, and our community as a whole. We are available to coordinate resources, and assist in developing and implementing emergency operations plans for Louisville Metro healthcare facilities, alongside our regional healthcare coalition, HERA. We also regularly provide public health emergency preparedness training and education to various groups throughout the community. Our team is a leader in the design, implementation, and evaluation of preparedness exercises and drills, in accordance with Homeland Security, and Kentucky Department of Health guidance.

HOURS: Monday – Friday, 8am-5pm
LOCATION: 400 East Gray St.
SERVICE CONTACT: Ken Luther; Ken.Luther@louisvilleky.gov, or 502-574-6648

MEDICAL RESERVE CORPS

SERVICE DESCRIPTION: The Medical Reserve Corps (MRC) is a national network of both medical and non-medical volunteers, organized into local units to improve the health and safety of their communities during public health emergencies. Our local Louisville Metro MRC unit provides the greater Louisville community with volunteers who can assist emergency management and health professionals during a large-scale local disaster, but also serves to support public health preparedness initiatives. Our volunteers are highly engaged in strengthening public health response, training for and responding to natural disasters, in addition to contributing to community health activities that promote preparedness and healthy habits.

ELIGIBILITY: Jefferson County.
HOURS: Monday – Friday, 8am-5pm
LOCATION: 400 East Gray St.
SERVICE CONTACT: To volunteer contact Ken Luther; Ken.Luther@louisvilleky.gov, 502-574-6648
VITAL STATISTICS
SERVICE DESCRIPTION: Application forms provided for certified copies of birth, death, marriage and divorce certificates. Applications must be completed and sent to Frankfort with the appropriate fee (birth $10; death $6; marriage and divorce $6 after the year 1956); allow four weeks for delivery. PLEASE BE AWARE that actual birth, death, marriage and divorce certificates can NOT be obtained at our office. We only provide the applications. Official birth, death, divorce, and marriage certificates are provided by the Commonwealth of Kentucky, State Registrar of Vital Statistics, in Frankfort, Ky. 502-564-4212. Applications can be downloaded from http://chfs.ky.gov/dph/vital/.

LOCATION: 400 East Gray St.
SERVICE CONTACT: Kelly Harper; Kelly.Harper@louisvilleky.gov, 502-574-6596

REQUESTS FOR DATA AND REPORTS
SERVICE DESCRIPTION: We provide available LMPHW data to the public.
ELIGIBILITY: Before beginning the data request process, all requesters are expected to check public data repositories to see what may already be readily available. Existing helpful data resources include: Louisville Metro Government’s open data portal – https://data.louisvilleky.gov, www.healthylouisvillemetro.org, Robert Wood Johnson Foundation County Health Rankings, U.S. Census Bureau, and the Centers for Disease Control. An electronic form must be filled out and submitted for any type of LMPHW data request. This includes internal and external requests that do or do not involve personally identifiable information. LMPHW will consider each request on a case by case basis. Decisions are based on many factors including alignment of the research with the department’s research plan and availability of staff resources. Requestor must provide all information necessary to evaluate the request within 90 days of the request or the request will be rejected as incomplete.
LOCATION: 400 East Gray St.
HOURS: Monday – Friday, 8am-5pm
SERVICE CONTACT: Yu-Ting Chen; Yu-Ting.Chen@louisvilleky.gov, 502-574-8279

DATA BRIEFS, POLICY ANALYSIS AND REPORTS
SERVICE DESCRIPTION: We analyze research and data to identify health hazards and trends, and assist in the development of policies and plans that support population health. We also create reports such as Healthy Louisville 2020, our city’s community health improvement plan, the Behavioral Risk Factor Surveillance System Report, the Community Health Needs Assessment and the department’s annual report. We also provide research and policy briefs. We also use GIS mapping.
HOURS: Monday – Friday, 8am-5pm
