

GOOD FAITH EFFORT ("GFE") REQUIREMENTS

Participation by certified female owned, certified handicapped owned, or certified minority owned business entities or utilization by contractors of certified female, certified handicapped, or certified minority owned business as subcontractors, if the contract requires or warrants the use of subcontractors, is strongly encouraged and will be a consideration in determining the award of a contract.

All contractors are to utilize their best good faith efforts to utilize subcontractors, certified female owned, certified handicapped owned, and certified minority owned businesses if the procurement situation requires or warrants the use of subcontractors. Good faith efforts by contractors shall be made to reach the goals established by Metro Code of Ordinances § 37.67.

Under Metro Code of Ordinances §37.67, Louisville Metro Government has adopted the following minimum utilization goals for its annual procurement expenditures with certified minority owned, female owned and handicapped owned business enterprises ("MFHBEs"):

- 15% for certified minority owned businesses
- 5% for certified female owned businesses; and
- 0.5% for certified handicapped owned businesses.

Failure to meet such goals will not result in disqualification from participation in the particular procurement process. Contractors, however, will be expected to provide written explanations (See attached GFE Forms) to the Executive Director of the Human Relations Commission of efforts they have made to utilize as subcontractors from certified minority, female and handicapped owned businesses.

Good faith efforts of a potential bidder include, but are not limited to the following:

- Attendance at pre-bid meetings, if any, scheduled to inform MFHBEs of prime and subcontracting opportunities;
- Advertisement in general circulation media, trade association publications, and minority and female business enterprise media to provide notice of subcontracting opportunities;
- Communication with the Human Relations Commission Office seeking assistance and identifying available qualified MFHBEs;
- Efforts made to select portions of work for MFHBE subcontracting in areas with established availability or MFHBE subcontractors;
- Providing a minimum of ten days written notice to known qualified MFHBEs that their interest in prime and subcontracting opportunities or furnishing supplies is solicited;
- Efforts to negotiate with qualified MFHBEs for specific sub-bids, including reasons for rejection of any such sub-bids offered.
- Efforts made to assist qualified MFHBEs meet bonding, insurance, or other governmental contracting requirements.

These requirements are contractual obligations and will be included in the construction contract. Failure to comply may result in a finding of breach of contract, possible disqualification of the Bidder to bid on future contracts, or a claim for damages.
