LOUISVILLE METRO GOVERNMENT  
GREG FISCHER, MAYOR

## ABOUT THE COVER

The cover of this year's open enrollment booklet features art that was created through the Studio 2000 program at the Shawnee Arts Center. Eli Muhammad, a 14-year-old freshman at Kentucky Country Day, created this colorful, vibrant piece to reflect the benefits of living a healthy lifestyle.

Eli was a member of Kentucky Country Day's Middle School Art Club and was a contributing artist to Louisville Visual Art Association's Lincoln Mosaic located in Baxter Park. Eli enjoys working in anime, graphic art and painting and would like to study computer science at UCLA or NYU.

Louisville Metro HR thanks Eli and the entire Studio 2000 program for helping us get the word out about making healthy choices for a full, happy life.

## WELCOME

**Dear Fellow Louisville Metro Employee,**

We have some great news about the Louisville Metro Government Benefits Package for Plan Year 2015-2016 (PY16).

If you do not access your open enrollment, then your current benefits will remain the same, excluding your Flexible Spending Account (FSA). FSA contributions must be elected every plan year.

**You can log on from any internet connection between April 20 and May 8 by going to our secure Open Enrollment site at <https://hr.louisvilleky.gov>.**

This plan year we are introducing Humana Vitality, an exciting new program.

\* Important-Please note:

- You must re-enroll if you wish to participate in the FSA benefits from July 1, 2015 to June 30, 2016. Failure to do so will stop your medical FSA and/or dependent care FSA contributions.
- Be aware, however, that your Health Reimbursement Account (HRA) **will not rollover for plan year 2016**. You can read all about the HRA and how it works on page 16.

We look forward to assisting you in this year's Open Enrollment!

Best Regards,

## ENROLLING

As in the past, you can enroll in your Plan Year 2015-2016 (PY16) employee benefits from work, home, or wherever internet access is available. To enroll from work, you'll need to access Louisville Metro Government's online enrollment system. Follow the directions below to log in to the enrollment system through your work computer – using the employee website, MyMetro.

You can enroll from home (or anywhere else Internet access is available) using the same enrollment steps in this booklet. However, you'll need to access the

Louisville Metro Government enrollment system by visiting <https://hr.louisvilleky.gov>.

If you do not have access to a computer, a computer lab will be available during the Open Enrollment period. Please see page 1 for the date, times and location. For your convenience, personal assistance will be available at that time.

**1** Open your Internet browser (e.g., Internet Explorer) and go to our employee web site, MyMetro. At the left, in the blue box, click on myHR/myPay.

**2** Enter your User ID and password (password is case sensitive). If this is your first time logging in to PeopleSoft, your initial password is your User ID followed by the last four digits of your Social Security number. Click on Sign In or hit the Enter or the Return key on your keyboard.

**3** Once logged on, you will be directed to the PeopleSoft homepage where you can click the Self Service menu item.

**4** On the new page, click on Benefits. . .

**5** . . . then click on Benefits Enrollment.

**6** You will now see the **Benefits Enrollment for PY16** screen showing what you are allowed to access. If you click on the blue "i" icon, there will be some information about that particular event. To begin the enrollment process, simply click on the yellow SELECT button.

**7** This will take you to the Benefits Enrollment Summary page. On this page, you'll be able to view:

- Your current plan elections;
- What new plan types are available to you;
- Rates for each plan.

Remember, if you wish to participate in a FSA, you must enroll each plan year.

## ENROLLING

To make a change to your plans for PY16, simply click on the Edit button by the respective plan. This will open the election page for the plan you selected. Note: Health, dental and vision elections are separate from each other. Therefore, you must enroll each dependent separately for each of the coverage plans.

**8** Only the options for which you are eligible will appear. You should notice that your current coverage is indicated as the selected option. Click on the plan of your choice.

**9** The tobacco user status cannot be edited online. See page 15 for details about changing your status.

**10** The coverage level (i.e. Employee Only, Employee + Spouse, Employee + QA, etc.) will be chosen for you automatically as you select the dependents you wish to cover. To add or review your dependents on file, scroll down to the bottom and click the Add/Review Dependents button.

**11** You will be directed to a page that shows all your dependents on file. You can edit a dependent by clicking on their name. To add a new dependent, click on Add a Dependent. Because the system retains history, individuals previously covered will appear in your dependent listing. Only selected individuals will have coverage.

**12** If you are adding a dependent or a qualifying adult (QA), you must enter a birth date and Social Security number. When you're finished, click Save at the bottom of the page.

**13** Next, you will be directed to a confirmation page saying the save was successful. Click OK to go back to the Dependent/Beneficiary edit page.

**14** Click on Return to Dependent/Beneficiary Summary and you'll return to the dependent selection page. Note: This screen only applies to dependents under the medical, dental and vision plans, NOT life insurance.

**15** From there, click on Return to Event Selection.

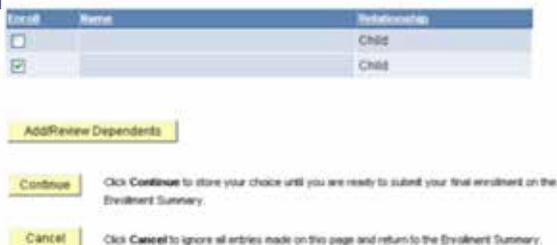

**16** You'll return to the enrollment page where the dependent will now show and you can select him or her for coverage. To enroll them for coverage, click the box beside their names. Next, click on Continue to store your plan choices. You must complete this step separately for each plan: medical, dental and vision.

**17** You will now see a confirmation/validation page. If you click the Edit button from the confirmation page, you will be directed to the Benefits Enrollment page, where you can make a different selection. By clicking OK on the confirmation page, your election will be

**11-16**

**17**

saved and you will be directed back to the enrollment summary page.

**18** Your new election will always appear in the New line under the plan in which you have enrolled on the enrollment summary page.

**19** If you are eligible to participate in Dependent Life or Supplemental Life, you may click the button beside each respective plan on the enrollment summary page to make these elections. To elect Supplemental Life, click on the desired coverage amount.

**NOTE: You must submit an Evidence of Insurability form if you increase your coverage by more than one level, or if an increase of one level takes your coverage above 3 times your annual base salary. An Evidence of Insurability form will be sent to you after enrollment. Once you've made your election, click Continue.**

**20** For Dependent Life coverage, you will have the option to select or waive coverage in PY16 by clicking Edit on the enrollment summary page. Once you've made your election, click Continue.

**21** Once you have finished enrolling in all the plans, click Submit at the bottom of the Benefits Enrollment Summary page to finalize your elections for PY16.

**22** Clicking Submit on the "Submit Benefit Choices" page will authorize your elections for PY16. You'll receive a confirmation statement by email. If you don't have email access, a paper copy will be forwarded to you by Metro HR. Clicking OK on the following page completes your enrollment.

**23** You've completed your benefits enrollment.

**New hires will automatically be enrolled in the Managed Choice health plan unless they elect another plan or opt out of coverage.**

**23** Benefits Enrollment

---

**Submit Benefit Choices**

You have almost completed your enrollment. If you have no further changes, click **Submit** at the bottom of this page to finalize your benefit choices.

**Cancel** Click **Cancel** if you are not ready to submit your choices and wish to return to the Enrollment Summary.

Do not submit your benefit choices until you have completed your enrollment. You may store your choices on each page and return to the Enrollment Summary as many times as you'd like up until your enrollment deadline. However, once you click Submit your benefit choices will be sent to the Benefits Department for processing.

Once your enrollment is processed, you may not be able to make any further benefit changes until the next Open Enrollment period or if you have a qualified family status change.

---

**Authorize Elections**

By submitting your benefit choices you are authorizing the company to take deductions from your paycheck to pay for your benefit costs. You are also authorizing the Benefits Department to send necessary personal information to your selected providers to initiate and support your coverage.

**Submit** Click **Submit** to send your final choices to the Benefits Department.

**Cancel** Click **Cancel** if you are not ready to submit your choices and wish to return to the Enrollment Summary.

## ELIGIBILITY

### Employee Eligibility for Medical, Dental & Vision Coverage

All regular Louisville Metro Government full-time employees and non-union regular part-time employees who work 25 or more hours per week are eligible for medical, dental and/or vision coverage through the organization's group plan. Part-time employees in positions covered by collective bargaining agreements should refer to their contract for eligibility information. Eligible dependents, as defined below, may also be added to an employee's medical, dental and/or vision coverage.

• **Please note:** An employee has the choice of covering their legal spouse OR one qualifying adult, but not both.

## CHANGES DURING THE PLAN YEAR

An employee's pre-tax benefit elections from open enrollment or new hire orientation cannot be changed during the period of the plan year unless the employee or a dependent incurs a family status change or "qualifying event" (QE) as defined by the Treasury regulations in Section 1.125. If a QE occurs, an employee may be able to change their level of benefits coverage but cannot move to a different plan type. The request must be consistent with the event, and the request and required documentation must be received by HR/Benefits within 30 days of the QE.

**When a family status change occurs, an employee must complete the Family Status Change (FSC) form indicating his/her changes/enrollment, attach the required documentation and submit both to Metro HR Benefits within 30 days of the qualifying event.** The FSC form is available via the MyMetro HR home page or through an employee's department HR representative. The effective date of the plan change will be the date of the qualifying event.

Below is a list of qualifying family status change events and the type of documentation required for each:

**Marriage:** A copy of the marriage license signed by the clergy or official who performed the services. If adding step children from the marriage, a copy of both the marriage license and the step children's birth certificates, with the spouse listed as a parent.

**Received other medical, dental or vision coverage:** Letter from the employer/insurance carrier listing all covered individuals' names, the coverage received (medical, dental and/or vision) and the effective date of the new coverage.

**Death of dependent:** Copy of the death certificate.

Employees may fax the change form and documentation to Metro HR Benefits at 574-8126. If the employee does not provide the change form and documentation to Metro HR Benefits within 30 days of the qualifying event, he/she cannot change his/her benefits until the next open enrollment period.

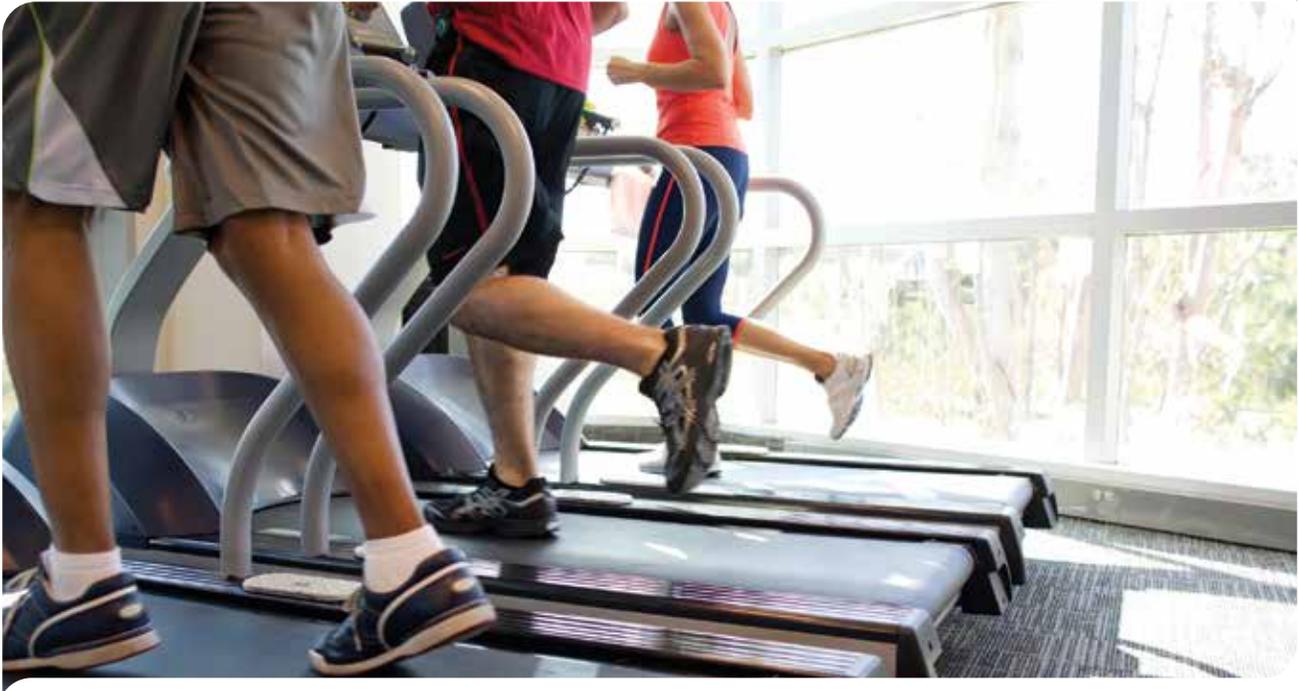

All forms are available on the MyMetro HR home page under the Benefits tab. If an employee does not have access to the MyMetro, he/she can access these forms through his/her department HR representative.

## Tobacco Use Fee

If you are a tobacco user, there is a \$50/month tobacco fee

- If you have already completed the Tobacco Use Certification Form and your status as a tobacco user has not changed, you do not need to take further action.
- If you recently stopped using tobacco and have been tobacco-free for at least 60 days, or have begun using tobacco, you will need to resubmit your Certification Form. You can find it on MyMetro. ## MEDICAL

### What are my choices?

We recognize that different individuals have different health care needs, so Louisville Metro is committed to offering you a variety of choices. For PY16, you may choose among three plan designs, each of which is managed by Humana:

- Managed Choice Plan – HRA & FSA if elected
- Balanced Choice Plan – HRA & FSA if elected
- Choice Plan – FSA option only if elected
- \*LMPD FOP Basic Plan – FSA option only if elected
- \*LMPD FOP Enhanced Plan – FSA option only if elected

### Managed Choice Plan with HRA and FSA

The Managed Choice plan is an innovative approach to health benefits, and is known as a consumer-driven health plan. In many cases, this option is cheaper than other health plans offered through Louisville Metro Government, and it lets you take more control over your medical expense funds. The Managed Choice plan has a Health Reimbursement Account (HRA). You may use your HRA with a voluntary Medical Reimbursement Account (FSA).

### Balanced Choice Plan with HRA and optional FSA

The Balanced Choice plan has a higher premium than the Managed Choice plan. In return, it has a lower annual deductible. The Balanced Choice plan has a Health Reimbursement Account (HRA). You may use your HRA with a voluntary Medical Reimbursement Account (FSA).

### Choice Plan – No HRA available – You may elect a medical FSA

The Choice plan has the highest cost per pay period. In return, it has the lowest annual deductible. The Choice plan does not have a Health Reimbursement Account; however, you may elect to contribute to a Medical Reimbursement Account (FSA).

## HEALTH REIMBURSEMENT ACCOUNT (HRA)

### What is an HRA?

Even if you have insurance, medical and pharmacy expenses can add up. Deductibles, copays, coinsurance and prescription drugs can put a strain on your budget.

An HRA is a tax-favored account funded solely by Louisville Metro Government (you make no contributions) that you use to pay for eligible medical and pharmacy expenses not covered by health insurance. An HRA is a great way to help stretch your budget, because you pay for eligible medical and pharmacy expenses with money that is not considered wages – so it is not subject to income taxes, FICA or worker's compensation taxes.

There will be no rollover for Plan Year 2016.

### How does an HRA work?

1. Louisville Metro Government funds your HRA.
2. Use your HRA spending account debit card to pay for eligible medical and pharmacy expenses.
3. Funds are automatically deducted from your HRA.
4. Keep your receipts! ADP, the plan administrator, may ask for them to make sure your purchases were for eligible expenses.

### Who is covered?

You can use the HRA to pay eligible medical and pharmacy expenses for yourself, your spouse, and anyone you claim as a dependent on your federal income tax return. For more information or clarification, please consult your tax consultant.

### How do I enroll?

When you enroll in your benefits during Open Enrollment or during New Hire Benefits Orientation, select the applicable health plans (Managed Choice or Balanced Choice) and you are automatically enrolled. New hire funding will be pro-rated.

### Where can I learn more?

Call 800-228-5762 to speak with an ADP benefits specialist about HRAs or contact the Metro HR Benefits at 574-8100.

**Please note: If you elect an FSA, your HRA & FSA funds will be available on the same debit card. FSA funds will be used before your HRA funds. Your HRA funds can be used for medical & pharmacy expenses only. Dental & vision expenses are not eligible under the HRA.**

*\*For LMPD FOP members with a hire date prior to July 1, 2013. For additional information please refer to separate sheet provided during Open Enrollment meetings or orientation.*

### Medical Reimbursement Account

Another option for covering medical expenses is the Medical Reimbursement Account (FSA). It's one of the two types of flexible spending accounts, or FSAs. (The other type of FSA, the Dependent Care Account, is described on page 25.) Flexible spending accounts let you set aside a portion of your pay on a pre-tax basis and use it to cover certain types of expenses. For Plan Year 2016, the maximum contribution for a Medical Reimbursement Account is \$2,550

**Note: If your medical plan includes the LMG HRA Account, you can also enroll in the medical FSA.**

### How does an FSA lower my taxes?

With an FSA, you set aside money on a pre-tax basis to pay for eligible expenses. So, you pay less in income and Social Security taxes. Please consult a tax professional for more information.

### What expenses are eligible?

The Medical Reimbursement Account may be used to cover eligible expenses not covered by your medical, dental or vision plan – including copayments, coinsurance and deductibles. You may not use this account to pay for charges such as cosmetic surgery or insurance premiums. Weight loss programs are eligible if they are deemed medically necessary.

**In accordance with health care reform law, over-the-counter (OTC) medicines and drugs are no longer eligible for reimbursement from your FSA without a prescription. If you require an OTC medication, you must do the following to be reimbursed:**

- **Have your doctor write a prescription for the specific OTC medication;**
- **Submit a copy of the written prescription and your receipt for purchasing the item to ADP for reimbursement via direct deposit. You may not use your FSA debit card.**

**Insulin is the only OTC medicine not subject to these new rules.**

### How much may I contribute to the medical FSA?

The minimum amount you may contribute is \$130 per plan year. The maximum amount is \$2,550 for the plan year.

**Plan carefully when deciding how much to contribute to your FSA. Money left in your account at the end of the plan year cannot be rolled over or paid out to you. The FSA calculator at <http://spendingaccounts.info> can help you determine how much to contribute.**

### How will I be reimbursed?

You will receive an ADP Spending Account Card, similar to a debit card. Use it to pay eligible medical expenses and the funds are automatically deducted from your FSA account. You can also pay for eligible expenses out of your own pocket, and then fax or mail a reimbursement request form with appropriate documentation.

You can download a reimbursement request form from the ADP web site at <https://myspendingaccount.adp.com> or [myspendingaccount.adp.com](https://myspendingaccount.adp.com) or call 855-676-4345 to request one. Complete the form with documentation of your expenses and fax to the toll-free number on the claim form.

**Or mail your form to: ADP FSA Administration  
P.O. Box 34700  
Louisville, KY 40232-4700**

**Note: All reimbursements will be submitted electronically for direct deposit to your checking or savings account. So, before requesting any reimbursements, you must provide ADP with the necessary information to set up direct deposit to your bank account. If you do not provide this information, you will not receive reimbursements. To learn how to set up direct deposit, go to <https://myspendingaccount.adp.com> or call ADP at 855-676-4345.**

You have until September 30, 2015, to submit reimbursement requests for expenses incurred and paid in the plan year July 1, 2014 – June 30, 2015. You have until September 30, 2016, to submit reimbursement requests for expenses incurred and paid in plan year July 1, 2015 – June 30, 2016.

The ADP Medical Spending Account Card is a convenient way to pay eligible expenses directly from your medical FSA without having to file a claim.

**ADP will only be sending debit cards to new enrollees in the Medical Reimbursement Account. When your card expires, you will also receive a new one. If you lose or destroy your card, you can contact ADP at 855-676-4345 to receive a new one at a charge of \$5.00.**

### MOBILE APP For Your Smart Phone

**Prescription Benefits**

**Balanced Choice and Choice Plans**

Prescription coverage for the Balanced Choice and Choice plans is provided by Humana Pharmacy Solutions. Therefore, you do not need a separate prescription card; you simply use your health plan ID card when filling prescriptions.

The plans require use of generic drugs only. If an employee/eligible dependent chooses to purchase a brand name drug, and an equivalent generic is available, he/she must pay the difference in cost between the brand name and generic equivalent, plus the applicable co-payment, regardless of who is requesting the brand name medication. If the physician writes on the prescription “dispense as written,” the drug will be dispensed as such. However, the employee/eligible dependent will still be required to pay the difference in cost between the brand name drug and the generic equivalent, plus any applicable co-payment.

If you take “maintenance” medications for an ongoing medical condition, such as high blood pressure or diabetes, you can save money by having your doctor write a 90-day prescription instead of the regular 30-day prescription. The plan’s mail order benefit is provided by RightSource.

For more about the mail order program, go to [www.humana.com](http://www.humana.com).

**Managed Choice (High Deductible Health Plan)**

The Managed Choice Plan covers prescriptions just like other types of medical expenses. Humana Pharmacy Solutions provides this coverage and you will use your health plan ID card when filling prescriptions.

Under this plan, you must pay for prescriptions out of pocket (or with HRA/FSA dollars) until you satisfy your annual deductible. Then the plan pays a percentage of the cost of each prescription – 80% at in-network pharmacies and 60% at non-network pharmacies. If you reach your annual out-of-pocket expense limit, the plan pays 100% of the cost of prescriptions for the rest of the year.

**REMINDER: You may obtain certain generic medications at no cost by visiting the Metro Employee Wellness Center located at 400 S. 1st St., M–F 7 am–7 pm or Sat. 8 am–noon.**

You can reduce your medical expenses by using in-network doctors and hospitals or by participating in the

Compass SmartShopper program. To find out if your doctor is in-network, call your doctor’s office or go online to [www.humana.com](http://www.humana.com) and look under “Humana Choice Care Network PPO.” You may register for participation in the Compass SmartShopper program online at [www.compasssmartshopper.com](http://www.compasssmartshopper.com) or by calling 855-869-2133 / M-F / 8:30 am – 5:00 pm.

Another way to reduce your medical expenses is to utilize the services of the Louisville Metro Employee Wellness Center located at 400 S. 1st Street. Please refer to your Medical Plans Comparison Chart for copay info on page 19 in this booklet.

For more information, please refer to your Summary Plan Description.

## DENTAL

### What are my choices?

You have a choice of three dental plans provided by Delta Dental of Kentucky :

- **The DeltaCare plan** is a dental health maintenance organization (DHMO). Like medical HMO plans, it offers a high level of coverage but requires you to receive all your dental care from dentists and specialists within the plan's network. Under this plan, you select a dentist from within the plan's network who will coordinate your care.
- **The Delta Preferred plan** is a dental preferred provider organization. Like a medical PPO, it covers care you receive from any dentist, but offers a higher level of coverage when you use dentists and specialists in the plan's network.
- **The Delta Premier plan** is an indemnity plan which offers the same level of coverage with any provider, but has a higher deductible than the other plans offered to you.

*Note: If you were not enrolled in a dental plan during the previous 12 months, there will be a 12-month waiting period for coverage of major services and orthodontia if you enroll in the Delta Preferred or Delta Premier plans.*

## VISION

### Vision Coverage

Because eye care is such an important part of your overall health, Louisville Metro Government offers vision care benefits through VSP, a leading vision benefits carrier with thousands of participating vision providers nationwide.

You may obtain a complete yearly eye exam, eyeglass lenses every plan year and frames every other plan year. When you stay within plan allowances, you pay nothing more than a small copayment – \$10 per exam and \$10 for eyeglass lenses and/or frames.

### How does the plan work?

Under the VSP plan, you do not need an ID card. Simply follow these steps:

- Contact a VSP doctor.
- Let the doctor’s office know you are a VSP member.
- Provide your name and the last four digits of your Social Security number.
- The VSP doctor will handle the rest, including coverage verification, authorization and claim submissions.

Prefer to carry an ID card when you visit your doctor? Visit [www.vsp.com](http://www.vsp.com) and print out your own. If you have any questions about the plan, VSP customer service representatives are available Monday through Friday, from 8:00 AM to 11:00 PM Eastern Time, Saturday from 10:00 AM to 11:00 PM and Sunday 10:00 am to 10:00 pm. ## LONG TERM DISABILITY INSURANCE

### Who is eligible?

You are eligible for LTD coverage if you are a regular full-time non-union employee or a non-union regular part-time employee who works 25 or more hours per week, or if the plan is included in your union's collective bargaining agreement. The LTD plan is insured by Lincoln Financial Group.

### What is my LTD coverage?

Louisville Metro Government automatically provides you with LTD coverage that replaces 50 percent of your base monthly salary (up to \$4,000 per month) while you are disabled due to an injury or illness.

Under this coverage, benefits begin after you have been away from work for 90 consecutive days due to a qualifying disability, and may continue until you recover or reach the later of age 65 or your Social Security normal retirement age. If you receive disability benefits from another source, such as Social Security, your benefit from this plan will be reduced so that your total benefit does not exceed 50 percent.

### How do I file an LTD claim?

To file a long-term disability claim, contact Metro HR Benefits at 574-2642.

## LIFE AND AD&D COVERAGE

### Who is eligible?

You are eligible for life insurance coverage if you are a regular full-time non-union employee of Louisville Metro or a non-union regular part-time employee who works 25 or more hours per week. If you are a union employee, eligibility is governed by your collective bargaining agreement. If you are eligible, you may also elect dependent coverage for your spouse and dependent children. These plans are insured by Lincoln Financial Group. Qualified Adults (QA) are not eligible for coverage under optional dependent life.

### What is my basic life and AD&D coverage?

Louisville Metro automatically provides you with basic life insurance coverage equal to:

- If you're a union employee, either \$5,000, \$15,000, \$50,000, or one times your base annual salary (up to \$50,000), depending on the terms of your collective bargaining agreement; or
- If you're a non-union employee, one times your base annual salary (up to \$50,000).
- You also receive basic accidental death and dismemberment (AD&D) coverage in the same amount as your life insurance. If you die as the result of an accident, your beneficiary will receive the full benefit from both parts of the plan. If you suffer certain types of loss as the result of an accident, you may be eligible for partial benefits from the AD&D portion of the plan.

**Note: Basic life insurance coverage is portable. If your employment with Louisville Metro Government ends, you may continue your basic life coverage by paying the required premiums. Applicable benefit reductions may apply after age 70. Please refer to your class level certificate of coverage which is available on the MyMetro HR home page under Benefits tab. You can also access this document through your department HR representative.**

### What are my optional dependent life insurance choices?

In addition to your basic life insurance, you may select optional life insurance for your spouse and/or children. If you're a union employee, the coverage will be either \$2,500 for your spouse and for each eligible dependent child, or \$7,500 for your spouse and \$1,000 for each child, depending on the terms of your collective bargaining agreement.

If you're a non-union employee, the coverage is \$7,500 for your spouse and \$1,000 for each eligible dependent child.

**Applicable benefit reductions may apply after age 70. Please refer to your class level certificate of coverage which is available on the MyMetro HR home page under Benefits tab.**

Dependent children may be covered from birth up to age 26 if unmarried and enrolled as a full-time student in an accredited institution. You are responsible for notifying Metro HR Benefits if a dependent child ceases to be eligible.

The cost of optional dependent life insurance coverage for your spouse and/or dependent children is \$1.10 per month, no matter how many eligible persons are being covered.

For example, if you're an employee with a spouse and two children, you may purchase coverage for all of them for a total cost of \$1.10 per month.

A qualifying event (marriage, divorce, birth, etc.) may allow you to make a change to your dependent life insurance. Remember that you must provide documentation of any change in your family status that causes a change in your benefit elections (see page 9). The request and documentation must be received within 30 days of the qualifying event.

For a full listing of life, long-term disability and supplemental life benefits, you can view the policies and certificates of coverage located on the MyMetro HR home page. This information is located under the Benefits tab.

## SUPPLEMENTAL LIFE INSURANCE

### What are my supplemental employee life insurance choices?

Along with the basic life insurance choices described on the previous page, you may choose supplemental life insurance for yourself, available in certain fixed amounts (see table below).

**New Hires:** You may elect supplemental life insurance in \$10,000 increments up to \$50,000, then in \$25,000 increments to a maximum of \$300,000 or 5 times base annual salary, whichever is less. When electing new hire benefits, coverage is guaranteed up to 3 times base annual salary. Coverage over 3 times base annual salary is subject to evidence of insurability (EOI/health application) and will not become effective until approved by the insurance carrier.

**After initial enrollment - Open Enrollment:** If you are currently enrolled in the supplemental life insurance program, you may increase your coverage:

By one increment up to 3 times the base annual salary without evidence of insurability.

By more than one increment up to \$300,000 or 5 times your base annual salary (whichever is less) with evidence of insurability. An evidence of insurability form will be sent to you after enrollment.

A change in coverage requiring evidence of insurability will not become effective until approved by the insurance carrier.

If you initially become insured after attaining age 70, your benefit is subject to a maximum of \$50,000.

Maximum coverage is \$300,000 or 5 times your base annual salary, whichever is less.

The cost of supplemental life insurance for yourself is based on your age (as of January 1) and the amount of coverage you select. In the chart below, find the amount of coverage in the column at left, then go to the column that corresponds to your age bracket. For example, if you're 46 years old and want to purchase supplemental coverage of \$100,000, your monthly cost will be \$19.00.

**Note: If your employment with Louisville Metro Government ends, you may be able to continue your basic and supplemental life coverage. Please contact Metro HR Benefits for more details. Applicable benefit reductions may apply after age 70. Please refer to your class level certificate of coverage which is available on the MyMetro HR home page under Benefits tab. You can also access this document through your department HR representative.**

## NOTIFICATIONS

### Payroll deductions

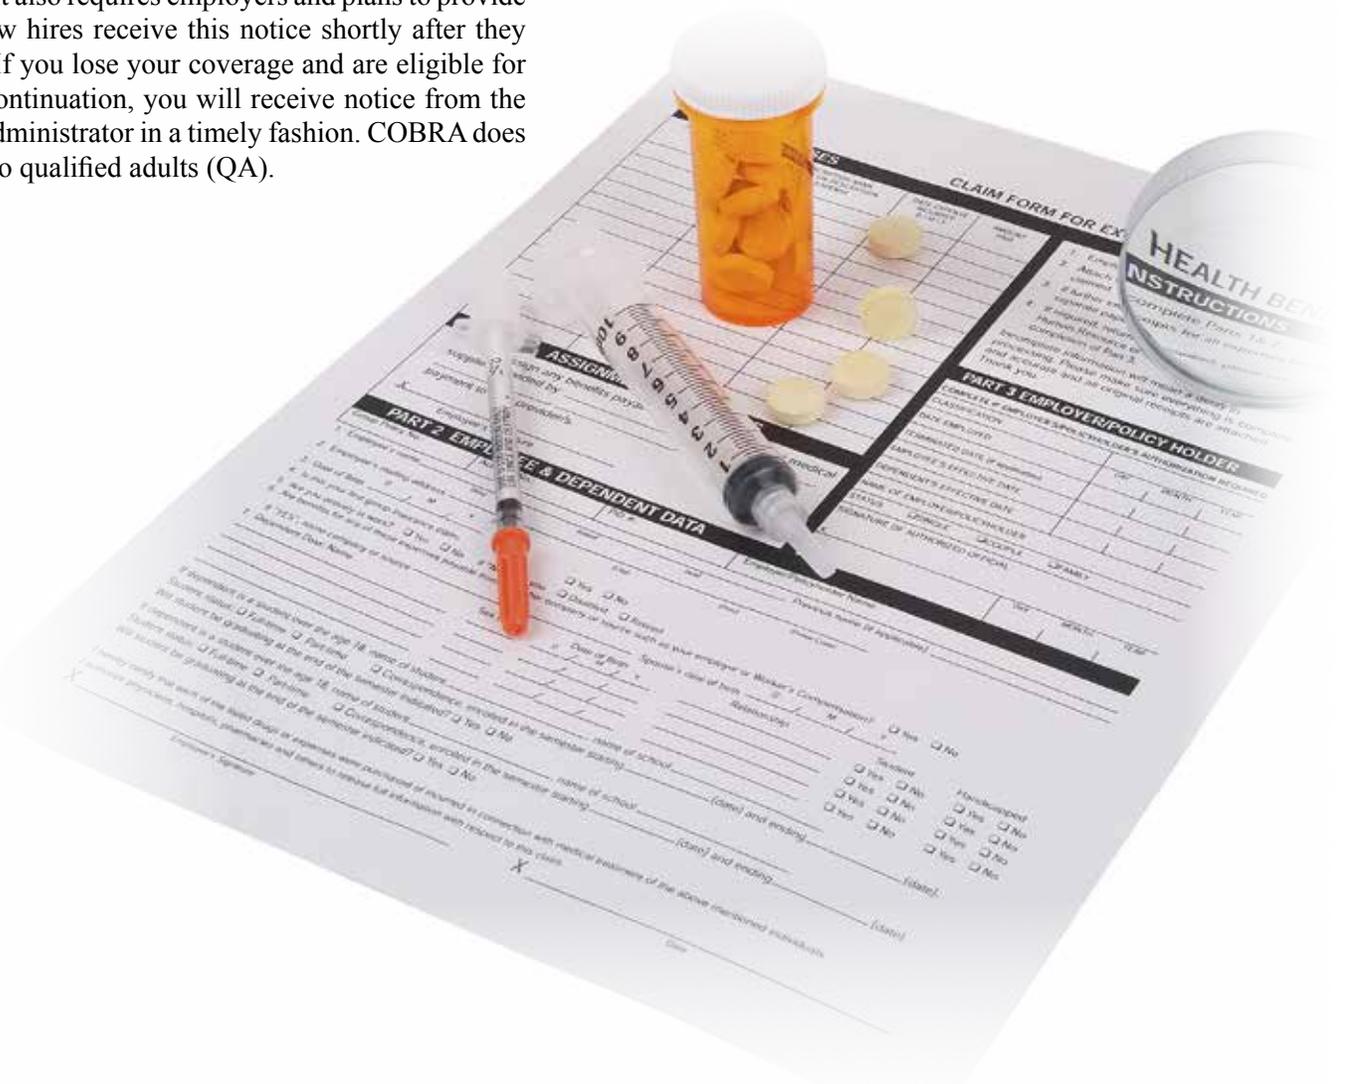

If you enroll for medical, dental or vision benefits, your portion of the cost will be deducted from your pay on a pre-tax basis, except for qualified adult (QA) costs. That means your contributions don't count as taxable income, so you'll pay less in federal and state income taxes. The QA portion of the costs will be deducted from your pay on an after-tax basis.

### COBRA

The Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their families who lose health benefits the right to continue group health benefits for limited periods of time under certain circumstances – such as voluntary or involuntary job loss, reduction in hours worked, transition between jobs, death, divorce and other life events. Qualified individuals may be required to pay the entire premium for coverage, up to 102% of the cost to the plan. COBRA outlines how you and your family members may elect this continued coverage. It also requires employers and plans to provide notice. New hires receive this notice shortly after they are hired. If you lose your coverage and are eligible for COBRA continuation, you will receive notice from the COBRA administrator in a timely fashion. COBRA does not apply to qualified adults (QA).

### Additional Notifications & Benefits Documents

For a full electronic listing of benefits summary plan descriptions, policies, certificates of coverage and other benefits-related notifications, please visit the MyMetro HR home page. These documents are located under the Benefits tab.

## DEPENDENT CARE FSA

The Dependent Care Reimbursement Account (FSA) may be used to cover adult or child day care services that allow you, or you and your spouse, to work. Examples include licensed day care centers or nursery schools, dependent care in your home or dependent care in another person's home (if fewer than seven children are under one's care).

### Who is eligible?

You are eligible for the Dependent Care Account if you are a regular full-time employee of the Louisville Metro Government or a non-union regular part-time employee who works 25 or more hours per week. Part-time employees in positions covered by collective bargaining agreements should refer to their contract for eligibility information. These benefits are administered by a third-party administrator, ADP, Inc.

### How much may I contribute?

If you elect to participate in the Dependent Care Account, your contributions will be deducted from your pay throughout the plan year. The minimum amount you may contribute is \$130 and the maximum amount you may contribute is \$5,000 per household, per tax year.

Plan carefully when deciding how much to contribute to your FSA. Money left in your account at the end of the plan year cannot be rolled over or paid out to you. The FSA calculator at <http://spendingaccounts.info> or <https://myspendingaccount.adp.com> can help you determine how much to contribute.

### How am I reimbursed from the account?

You pay for eligible expenses out of your own pocket. You must submit a reimbursement request form with appropriate documentation to ADP via fax or mail. ADP will process the request and reimburse you through direct deposit into your checking or savings account. You can download a reimbursement request form from the ADP web site at <http://spendingaccounts.info> or <https://myspendingaccount.adp.com> or call 1-855-676-4345 to request a form. Complete the form with documentation of your expenses and fax to the toll-free number on the claim form.

**Or mail your form to:**  
**ADP Spending Account**  
**P.O. Box 34700**  
**Louisville, KY 40232-4700**

**Note: All reimbursements will be submitted electronically for direct deposit to your checking or savings account. So, before requesting any reimbursements, you must provide ADP with the necessary information to set up direct deposit to your bank account. If you do not provide this information, you will not receive reimbursements. To learn how to set up direct deposit, go to <https://myspendingaccount.adp.com> or call ADP at 855-676-4345. If you provide your email address to ADP, you can receive an automatic confirmation that your claim has been received.**

You have until September 30, 2015, to submit reimbursement requests for expenses incurred and paid in the plan year July 1, 2014 – June 30, 2015. You have until September 30, 2016, to submit reimbursement requests for expenses incurred and paid in plan year July 1, 2015 – June 30, 2016.

### What if I go on leave?

If you take an unpaid leave of absence, you may continue to participate in your FSA by paying with after-tax dollars. If you do not continue contributing while on leave, your ability to receive reimbursements from your FSA may be suspended. Upon your return to work, you will have options to continue to participate in the FSA at your original contribution level or a reduced level. Consult with Metro HR for details.

### Savings with the Dependent Care Account

When considering the Dependent Care Account, remember that there is also a dependent care tax credit provided by federal law. In some cases, this tax credit may be better for you than the Dependent Care Account. You cannot take the tax credit for any expenses that are reimbursed through the Dependent Care Account.

Keep in mind that what works best for you depends on your personal financial situation. You may wish to consult a tax advisor.
