All of the rights, functions and prerogatives of management which are not expressly and specifically restricted or modified by one or more explicit provisions of the Agreement are reserved and retained exclusively to Metro Government.

Any complaint or dispute concerning wages, hours or any other conditions of employment shall constitute a grievance within the meaning of this Agreement.

It is agreed that in all cases of an unauthorized strike, slowdown, walkout, or any other unauthorized cessation of work in violation of this Agreement, the Union shall not be liable for damages resulting from such unauthorized acts of its members. The supervisor shall exert every reasonable effort to make it possible for the Steward to leave his work station for any of the aforesaid purposes.

Section 4. There shall be no discrimination or coercion against any employee because of duties as a Steward.

Section 5. The Union shall have the duty to inform Metro Government in the event a Steward is replaced, of the new Steward's name and position.

Any employee may designate one (1) or more persons to represent him or her in the presentation of any such grievance. The designation of a representative, however, shall not preclude an employee from presenting and processing his own grievance, except that where there is a designated representative, an observer designated by the recognized bargaining representative shall be notified in advance of the time and place of all discussions relative to the grievance and shall be privileged to attend such sessions. The following rules for the presentation of solution of grievances are prescribed:

Section 2.

(a) The grievance in the first instance shall be presented to the immediate supervisor by the Member within ten (10) days from the time the grievance or controversy occurs. If an action of Metro Government resulting in a grievance is initiated at a higher level than a Member's immediate supervisor, the grievance in the first instance shall be presented to the level of authority initiating the action.

(b) If not satisfactorily adjusted at this level within ten (10) days, the Member or Union may reduce the matter to writing and refer it to the Director, who shall act within ten (10) days.

(c) In the event that the decision of the Director is adverse to the grievance of the Member or Union, the Member or Union may request review by the Mayor or his designee within ten (10) days, and receive a decision from the Mayor or his designee within ten (10) days.

(d) In the event the Mayor's or Mayor's designee's decision does not resolve the grievance, the Union may request mediation or advisory arbitration within seven (7) days or receipt of the Mayor's/designee's decision by notifying Metro Government and the Department of its intention to proceed to mediation or advisory arbitration. Such notice of intent to proceed must be accompanied by an explanation setting forth the reason(s) why the decision of the Mayor or designee is unacceptable. At the same time the Union notifies Metro Government and the Department of its intention to proceed to mediation or advisory arbitration, it shall mail to the Louisville Labor-Management its notice of intention to proceed to advisory arbitration and request submission of a list of mediators/arbitrators. A mediator/arbitrator shall be selected by each party alternately scratching a name from the panel submitted by the Louisville Labor-Management Committee with the Union having the right to strike first in even numbered years and Metro Government the right to strike first in odd numbered years. The parties shall meet for the purpose of scratching names from the panel within fourteen (14) days of receipt by both parties of the panel from which a mediator/arbitrator is to be selected.

The mediator's/arbitrator's fees and expenses and the cost of any meeting or hearing room shall be borne equally by each party.

(e) The following limitation on the powers of the arbitrator shall apply:

(i) The arbitrator shall have no authority, jurisdiction or right to alter, amend, modify, ignore, add to or subtract from or change in any way any term or condition of this Agreement or to render an award which is in conflict with any provision of this Agreement. The arbitrator shall consider only the specific issue or issues submitted in the grievance and shall confine a decision to a determination of the facts and an interpretation and application of this Agreement.

(ii) The decision of the arbitrator shall be advisory in nature with respect to all matters.

Section 3. A Steward of the Union designated to represent an employee shall be paid for time lost from work during meetings and talks with representatives of Metro Government scheduled in the processing of the grievance, or during arbitration proceedings.

Section 4. If a grievance is not presented within the time limits set forth in this article, the grievance shall be considered waived. If a grievance is not appealed to the next step within the specified time limit of any extension thereof, it shall be considered settled on the basis of Metro Government's last answer. If Metro Government does not answer a grievance or an appeal thereof within the time limits, the Member or Union may elect to treat the grievance as denied at this step and immediately appeal the grievance to the next step. The time limits in each step may be extended by mutual agreement of Metro Government and Union representative(s) involved in each step.

ARTICLE 26 -- SENIORITY AND LOSS THEREOF

Section 1. The principle of seniority is sound and seniority rights shall prevail. Seniority of employees covered by this Agreement shall begin with the most recent date of employment with Metro Government, provided, however, that all probationary periods are

complete, after which their seniority shall then revert back to the most recent date of employment with Metro Government. An employee's seniority shall be considered as being continuous unless terminated for any of the following reasons:

- (a) Discharge for cause.
- (b) Voluntary resignation.
- (c) Layoff for lack of work and not recalled within one (1) year of such layoff.
- (d) Being on layoff and failing to return to work within five (5) days after having

been notified to do so.

When employment is terminated for any of the above reasons and the employee subsequently is re-employed, he/she shall be considered a new employee for all purposes, except that of rates of pay.

Section 2. A seniority list shall be maintained on a current basis and posted in the supervisor's office where it shall be available for inspection at all reasonable times by individual employees.

A copy of the seniority list and each revision thereof shall be furnished by Metro Government to the Union.

Section 3. When due to lack of work, it becomes necessary to lay off employees, the employee with the least seniority standing shall be the first to be laid off, provided such employees retained are capable of doing the work remaining.

When employees are to be recalled, the first to be recalled shall be those last laid off provided that such employees are capable of doing the work then available.

Metro Government shall furnish to the Union a list of the names of the employees laid off or recalled in each instance in which a layoff or recall occurs.

Section 4. Absence from duty resulting from proven sickness or injury shall not be considered cause of loss of seniority rights, provided proper notice is given Metro Government of such sickness or injury. As to those employees hired after June 30, 1985, this provision shall not be applicable if such absence is in excess of one (1) year.

Section 5. Should an employee be disabled arising out of or in the course of his employment with the assigned departments, he shall automatically be considered to be on a leave for purposes of seniority and his rights arising out of seniority shall continue to accumulate during such absence. As to those employees hired after June 30, 1985, the provision shall not be applicable if such absence is in excess of one (1) year.

Section 6. Should an employee be unable to report for work on the job due to illness, he/she shall, if possible notify his supervisor prior to the regular report time of his/her inability to so report, and upon support of proper evidence from a reputable doctor, if requested, his seniority shall continue to accumulate during such period of illness.

ARTICLE 27 -- OVERTIME DISTRIBUTIONS

Section 1. Insofar as is practical, the opportunity for overtime will be divided equally among qualified employees within a classification by shift for which overtime is needed. When all employees within a classification by shift have been offered the opportunity for overtime, the rotation will begin again.

Section 2. When the opportunity for overtime is offered to qualified employees, it shall be by the order of Waste Reduction Division seniority by classification by shift in the first occurrence. When such opportunity for overtime work is available, the opportunity to work should be offered to the most senior qualified employee who last did not have the opportunity for

overtime, by classification, by shift. Should this employee choose not to work, the offer of opportunity to work is made to the qualified employee next least senior in the classification, by shift. The offer of overtime work is to be made to each succeeding qualified employee by descending seniority on the seniority list by classification by shift until the desired number of overtime workers are secured.

Section 3. Should all of the qualified employees contacted refuse the opportunity for overtime work, then the qualified employee, by shift, with the lowest seniority will be required to work. The method for securing additional employees to work will be to require each employee with succeeding more seniority to work. This mandatory overtime will be called for from the lowest qualified employee on the seniority list, in order, to the qualified employee with the highest amount of seniority per classification, by shift.

Section 4. All employees are required to have a working telephone number which shall be given to the Division of Solid Waste Management. The Division shall have the obligation, for the purposes of overtime communication, to call only the one (1) telephone number given to the Division by the employee. If the Division is unable to communicate with the employee by use of the telephone number given, then the Division shall have no obligation to offer overtime to the employees.

ARTICLE 28 -- CALL OUT PAY

All hours worked on call out which occurs at a time outside an employee's regularly scheduled hours of work shall be paid for at one and one half (1 1/2) times the employee's regular hourly rate. However, if the call out occurs on a Sunday or holiday, then all hours worked shall be paid for at two (2) times the employee's regular hourly rate. The employee shall

be paid a minimum of four (4) hours for each call out. The minimum shall be computed as time worked. If so directed by supervisory authority, an employee called out shall work the four (4) hours minimum period.

ARTICLE 29 -- PRE-TAX PREMIUM PLAN AND/OR DEPENDENT CARE ACCOUNT

Metro Government will offer to all bargaining unit employees the option of participation in Metro Government's Pre-Tax Premium Plan and/or Dependent Care Account pursuant to the same terms, conditions, requirements and obligations for any and all other non-bargaining or bargaining unit employees of Metro Government.

ARTICLE 30 -- DURATION OF AGREEMENT

Section 1. This Agreement shall become effective upon its execution by the parties.

Section 2. The duration of this Agreement shall extend from its effective date through June 30, 2015.
