

LOUISVILLE METRO COUNCIL

BRANDON COAN
DISTRICT 8 COUNCILMAN

JASMINE MASTERSON
LEGISLATIVE AIDE

August 19, 2019

Dear Neighbor,

I sent you a letter similar to this in October, 2017. The purpose of this letter is simply to touch base and let you know about Louisville Metro Police Department leadership changes affecting your home or business.

There are 16,029 homes and businesses located in Metro Council District 8, and yours is one of the just 275 (1.72%) protected and served by the LMPD **4th Division**. The rest of District 8 in the Urban Services District is patrolled by LMPD Division 5.

You may have noticed in my District 8 eNews, on social media or elsewhere regarding public safety that I often refer to the 5th Division only. Given the District 8/5th Division coverage area described above, I'm sure you can understand why.

Notwithstanding, I want to reassure you that your safety is of equal importance to me. I recently met with **your new 4th Division Commander Major Tim Burkett**, who replaces now-Assistant Chief Joshua Judah to confirm that 4th and 5th Division public safety efforts are in full, lockstep coordination, and not one street address is subject to unclear or overlapping jurisdiction.

You can learn more about District 8 Crime Information and the Fourth Division on the following webpages:

<https://louisvilleky.gov/government/metro-council-district-8/district-8-crime-information>

<https://louisville-police.org/170/Fourth-Division/>

Additionally, I strongly encourage you to subscribe to my bi-weekly newsletter, which includes reports on crime, roads, development and more: <https://tinyurl.com/subscribeD8>

Finally, please never hesitate to call the police if you are in need.

Best Regards,

Councilman Brandon Coan (D-8)

cc: Fourth Division Commander Major Tim Burkett

Fifth Division Commander Major Bridget Hallahan
